Item 9. Specific examples of information obtained and use made of information:

On 10/3/61, source disclosed that Subject was in contact with an IRS employee and that this employee was furnishing or endeavoring to furnish information from IRS files to the Subject. IRS Agent identified as JOHN ENGLER, and bribery case opened and still pending.

On 10/4/61, source advised that Subject in contact with the city alderman and also that he had a tentative commitment from Schlitz Brewing Company to rent a new penthouse restaurant to be erected in downtown Milwaukee.

On 10/12/61, source advised that Subject was involved along with GUS CHIAVEROTTI in negotiations with New York individuals for a \$75,000 deal, purpose not yet known. New York has been requested to inquire based on specific information furnished by source.

On 10/26/61, source advised that Subject instructed associate to install a new TV set (apparently a present) in the residence of FRANK H. RANNEY, local head of the Teamsters Union described by Subject as a very good friend of his.

On 10/24 and 10/25/61, source advised regarding a payment of some sort between Subject, BEN BARWICK, head of the Bartenders Local Union, Milwaukee, and an individual in Chicago by the name of UMBADA (phonetic). Chicago has been requested to identify this individual based on specific details furnished by the source.

On 10/20/61, source advised that Subject was going to Kansas City with JOHN PICCIURRO, and Kansas City subsequently determined that one of the purposes of this trip was to attend the wedding and reception between the children of two Kansas City hoodlum families.

On 11/17/61, source advised that there was to be a "meeting of the boys in Room 607 at the Wisconsin" and that this meeting would be attended by the Subject and by DOMINIC FRINZI. Investigation showed that two girls from Detroit registered in this room on November 16 and listed themselves as representing Gallagher's (Subject's place of business).

MI 66-950

On 12/26/61, source advised that JENNY ALIOTO admitted forging the signature of her sister, MARY OYDA, to several corporate records of one of Subject's endeavors. This information, which was of interest to IRS, was furnished to that agency.

On 12/28/61, source advised that one of the hostesses at Gallagher's Restaurant had taken one or more of the guests at a private party to the basement of the restaurant and had intercourse with them. Other sources have stated that this private party was for the purpose of formally selecting BALISTRIERI as head of the Italian hoodlum element in Milwaukee to replace his father-in-law, JOHN ALIOTO. Based on the information furnished, an interview was had with the hostess who has some promise of developing into a valuable informant.

On 1/6/62, source advised that Subject had just returned from an out-of-town meeting. Other information received from Chicago disclosed that this meeting was with SAM GIACANNA, top hoodlum of that division.

On 1/8/62, source advised that Captain GEORGE SPRAGUE (NA) was fixing traffic violations for the Subject and at the same time appeared to be thanking the Subject for a present (Christmas).

On 1/14/62 Subject, according to source, was scheduled to have an appointment at nine PM, but source advised that by 11:30 the individual had not showed up, apparently due to bad roads.

SUBJECT: FRANK PETER BALISTRIERI, aka
AR

Re Bureau airtel 1/29/62

Under Item 16, captioned "Personnel Costs" in FD-143 submitted by this office 1/22/62, it was believed by the agent dictating that this item was inquiring as to a cost factor based on actual working hours. The five to six hours per week listed under 16 b. pertained to an estimate of agent time spent during regular working hours only. The Bureau is advised that Subjects spends only a limited amount of time at [redacted]

[redacted] during the day but does spend considerable more time there during evening hours and [redacted] is monitored during off-duty hours by agents on an average of 12 to 15 hours per week, in addition to the five to six hours set forth, for a total time of 17 to 21 hours per week.

For the Bureau's further enlightenment in regard to the handling of this misur, it is pointed out that [redacted] in addition to [redacted] is also [redacted]

[redacted] It is often possible, through other investigative efforts, to determine when Subject is at [redacted] apartment and it is often possible to determine that no items of intelligence interest to the Bureau are to be discussed, in which case the monitoring is terminated.

It is felt that the method employed is most feasible from the standpoint of overall expense to the Bureau and best use of personnel time.

It is recommended that this misur be continued because of the value of the information received, which is not available from any other source. It is pointed out that, for the past several weeks, Subject has been completely engrossed in court proceedings having to do with his income tax problems and appears not to have devoted very much time and effort to his other activities. This situation is likely to change, however, because the income tax matters have been presented in court on a preliminary basis during the week of January 22 and, following the court's ruling, which is anticipated at an early date, it is believed that Subject

ACTIVITIES REGARDING HOODLUM ORGANIZATION

With regard to Subject's connection with the Pfister Hotel and MARVIN BILLET, who is operating it, MI T-1 advised Special Agent JOHN H. GASSAWAY on November 12, 1961, that

[REDACTED]

b7D

MI T-2 advised that

[REDACTED]

[REDACTED]

This informant further advised that

[REDACTED]

b7D

[REDACTED]

With further regard to the above matter, the November 9, 1961, issue of "Milwaukee Journal," a Milwaukee daily newspaper, reported that the Fox Head Brewing Company of Waukesha,

MI 94-316

Wisconsin, bought the largest hotel in Jamaica, the Marrakesh, for more than four million dollars and that this hotel would be operated by MARVIN BILLET, who would divide his time between Milwaukee, New York and Jamaica..

Previous investigation reflects that Fox Head Brewing Company paid Premium Beer Sales \$5,000 a month, which was payment to TONY ACCARDO, who operated Premium Beer Sales. ACCARDO was sentenced November 18, 1960, in Chicago to six years in prison for income tax evasion, growing out of a charge based on his claim that the expenses of operating a Mercedes Benz automobile was a business deduction since he was using it to deliver beer in Chicago.

MI T-1 said that he had learned that the Fox Head Brewery actually had no money in the hotel but that HOWARD HARTMAN, President of Fox Head Brewing Company, had a relative who is a TV star, and this individual has supposedly put up the money for the Marrakesh Hotel, obtaining part of it from movie and TV stars in Hollywood.

The records of Dun and Bradstreet as examined by the reporting Agent on December 18, 1961, disclosed that Fox Head Brewery purchased a one-half interest in the Marrakesh Hotel in November, 1961, by transferring 370,000 shares of capital stock and assuming a real estate mortgage of one million dollars. The total consideration for the hotel was reported as four million dollars, and it was built in 1960 by JACK YETMAN of New York City who sold it when the president, DAVID SCHINDLER, died. The hotel is owned by Marrakesh Hotel Limited and operated by Imperial Hotels Limited.

The above report also showed that Fox Head Brewery has a 50% interest in the Waukesha Springs Brew Company of Chicago (non-alcoholic malt beverages distributed through vending machines) and also acquired the Illinois Felt Company of Chicago in September, 1961, for 100,000 shares of capital stock (about \$200,000 value).

In 1958 Fox Head Brewing Company absorbed the Weber Waukesha Brewing Company and at that time took over a lease of the Burlington Warehouse, Burlington, Wisconsin, which is presently subleased.

MI 94-316

Management of Fox Head Brewery consists of EDWARD F. HOBAN, Chairman of the Board, who is Executive Vice President of McMahon and Hoban, Inc., investment bankers, 105 South LaSalle Street, Chicago, and is also president of Lexbrook Farms, Inc., Palatine, Illinois. HOWARD C. HARTMAN, President, date of birth 1911, who practiced law in Chicago from 1941 to 1951, then went with Waukesha Weber Brewing Company and became president of Fox Head on the merger. ANDREW H. SCHNELL, JR., Executive Vice President, date of birth 1911, was formerly in the brewing business in Minneapolis, then came to Waukesha Weber Brewing Company and to Fox Head when they merged. OSCAR FLATT, Vice President, date of birth 1913, has been brew-master for Fox Head for many years, then became Vice President and subsequently President of Fox Head prior to the merger. EARL R. LINGER, Secretary-Treasurer, date of birth [redacted], was formerly with FRANK P. GARDNER and Associates and Power Products Company of Grafton, Wisconsin, until 1957 when he went to Weber Waukesha Brewing Company. BEATRICE PARROTT, Assistant Secretary Treasurer, has been with Fox Head since 1946. The directors consist of the officers listed above except PARROTT plus SAMUEL R. BALLIS, real estate business in Chicago; SCOTT LOWRY, Waukesha Judge; GERALD E. MC CULLOCH, President of Metal Spinners, Inc.; JOHN M. MC KERR, Grain Broker, Chicago; WILLIAM S. SHANKS, the Bond Buyer Publication of Boston; and DONALD C. STROUD of Cruttenden Podesta, New York City.

b6

The report showed the following income and net worth statement:

	1958	1959	1960
Net Sales	\$2.8 million	\$4.0 million	\$3.6 million
Net Income	\$81,289	\$140,584	(\$95,814) loss
Net Worth	452,688	507,717	411,903
Cash	122,311	56,446	82,299

The summary of operations read "operations profitable for three years, but 1960 and 1961 value decreased and loss sustained. Cash position tight and some credit bills retired in dilatory manner. No current borrowings in recent years."

MI 94-316

The records of Dun & Bradstreet were examined December 18, 1961 under the name Hotel Associates, Inc., and reflected the following information:

This Wisconsin corporation was chartered May 9, 1960 with officers shown as:

1. MARVIN BILLET, President and majority stockholder (200 shares out of 500 issued).
2. SHELDON MEYER, Vice-president. He is a non-practicing attorney and a principal in Croyden Florists, New York City.
3. Mrs. CECIL BRAXTON, Secretary-treasurer, who was formerly president of King Edwards Associates, New York City and who holds considerable real estate in New York City.
4. SOL SHENK, a director, of Columbus, Ohio.

With regard to BILLET, the report showed that he was born in 1920, was married and a native of New York. He is an attorney and practiced from his residence at Forest Hills, Long Island and at 101 West 31st Street, Manhattan. Other interests shown were "Beaver Properties Limited, a New York holding company with a net worth of \$60,000; an aircraft pilots parts business in London, where he allegedly has \$92,000 invested; former secretary-treasurer of Victor J. Conrow Corporation, a publishers representative at 202 West 40th, New York City. This was a part-time activity on BILLET's part and the corporation was discontinued in 1957, leaving many unpaid obligations. Additionally, BILLET allegedly owns various real estate parcels in and around New York and his individual net worth is shown as \$450,000. Complete background on

MI 94-316
JAH:EL

BILLET was listed as undetermined, as he could not be contacted and failed to answer requests for interviews.

With further reference to Hotel Associates, the report said that the principals reportedly invested \$300,000 and purchased on a land contract from the Fields Hotel Pfister Company the hotel property, fixtures and equipment in November, 1960. The Smith Hotel Enterprises holds a mortgage of \$780,606 on the property, which is valued at \$1,750,000, and the total mortgage encumbrance is \$1,350,000.

The annual payments are listed as \$140,000.

Estimates as of March, 1961 show net sales as \$1,350,000 annually, cash on hand \$14,000, receivables \$19,000, merchandise \$25,000.

Dun & Bradstreet summarized the operation as "tight cash position, receivables are slow collection, and there is tardiness in trade payments."

There are \$400,000 in conditional sales contracts on file against Hotel Associates and Swift and Company filed an action in garnishment in November, 1961 in the amount of \$3,074. Smith Hotel Enterprises filed foreclosure action on December 6, 1961 in Circuit Court, based on the mortgage they hold in the amount of \$788,606.

On November 20, 1961 the Chicago Tribune of that date reported on gambling activities at the Homestead and referred to Subject as having an interest in that operation.

On December 5, 1961 the Chicago Office furnished the following information pertaining to this matter:

On this date SANDY SMITH, Reporter, Chicago Tribune, advised that he was in charge of the operation whereby he and reporter TOM POWERS of the Chicago Tribune obtained the following information. SMITH advised that he received an anonymous complaint telephonically indicating that gambling was taking place in a farm house located on Edwards Road just East of Highway 45 in Lake County. He advised that the caller told him that this operation had been recently moved to that location from the Old Homestead Tavern located on Highway 41 and that TOMMY GRIFFIN, a well known Lake County bookmaker, was in charge of the operation. SMITH advised that on a Saturday afternoon, possibly November 18, he and POWERS went to the above location and although they did not get into the farm house located there, they saw a great deal of activity which made it apparent to them that the information supplied by the anonymous complainant was factual.

SMITH advised that he was also aware of the information given to the McClellan Committee sometime ago by Attorney General ROBERT KENNEDY in regard to the report that BALISTRERI made a deal with the Chicago mobsters whereby he made connections to furnish wire service to bookmakers in Illinois. SMITH advised that he, therefore, put two and two together and in order to make this story more readable and more interesting added the vague information in his possession regarding BALISTRERI. SMITH advised that he has no concrete information

whatsoever other than as set out above concerning FRANK BALISTRERI. He also advised that he has no further information concerning the operation at the farm house or at the Old Homestead Tavern or that BALISTRERI has any financial or other interest in it.

SMITH advised that he could furnish absolutely no further information concerning this situation.

The Milwaukee Sentinel, daily newspaper, of February 5, 1962 reported that Federal Grand Jury investigation was set to begin in Milwaukee in March in an attempt to link Milwaukee gamblers with betters in Chicago. The article quoted U.S. Attorney JAMES B. BRENNAN as saying that the scope of the Grand Jury probe would be all inclusive and would hear evidence of a reported pact between Chicago underworld and the Subject.

Other principals in the inquiry according to the article would include Milwaukee PHIL ALDERISIO and VINCENZO DI GIORGI of Hancock, Wisconsin. BRENNAN indicated he would

He was in the book-making business in Waukegan and associated with his friend, LLOYD PITZER, up to four-five years ago. He has no bookie connection now. He does not know anyone named JOE EDUCATO or JERE GRASKE. He has nothing to do with any race-wire service. He does not know FRANK BALISTRIERI and has no Milwaukee connections.

He acknowledged knowing THOMAS GRIFFIN, CHARLES SMITH, PETER "Little Pete" GARGANO and some fellows in Kenosha County, Wisconsin, but declined to discuss their activities or how he came to know them because "I don't want to get myself involved." He said if there was a race-wire service in operation in the northern Illinois area, he did not know about it, and commented that the Lake County area was "tighter than its ever been."

He stated that he definitely had never given any "outsider" a "cut" in anything he had ever done, be it the book-making business or juke box business, and no one had tried to "muscle in." He denied that he had been "pushed around" by any of the gambling element.

The message to BRUNO was for him to give \$1,000 to LOUIE FAZIO, former Wisconsin State Penitentiary inmate for murder, and a brother of the operator of Fazio's on Fifth. MI T-1 advised SA JOHN H. GASSAWAY on October 28, 1961 that

b7D

MI T-5 advised on November 6, 1961 that

The Milwaukee Sentinel of November 11, 1961 reported that TOM G. TERRIS was bidding to take over this location which was in receivership, having been padlocked by the Federal Tax Agents to satisfy a tax lien. According to the article, TERRIS had paid \$12,000 for the fixtures and agreed to pay \$1,200 a month rent, but the attorney said the landlords are "uncooperative" and want to lease the property to another unidentified party for much less rental.

The Milwaukee Journal of December 17, 1961 reporting on the competition between bail bond operators, said that the newest competitor, Bal-Fran Bonding Service, 1012 North Third Street, had reportedly caused a price war among the bonding companies about two months ago. According to the article, this firm is headed by BARNETT FRANKS, 38, of 8609 North Port Washington Road, and has listed as agents FRANK BALISTRERI, owner of a pizza place at 519 North 13th Street, AL D. STERNLIEB, president of Capitol Plumbing Supply Company, 1622 West Vliet, and ERVIN MUELLER, 328 East Chambers Street, a food broker and Democratic State Assemblyman.

Sergeant JOHN LAVIN, Special Detail, Milwaukee Police Department, in commenting on this matter, said that he felt it was

an enterprise of the Subject and that the FRANK BALISTRERI listed as an agent was in fact a cousin of FRANK BALISTRERI, Subject of this case, who had fronted for the Subject in other endeavors and whose name Subject had used in connection with other corporate matters.

With regard to BALISTRERI's income tax investigation, the Milwaukee Sentinel of January 2, 1962 reported that on January 22 a hearing would be held on three actions introduced by BALISTRERI to enjoin Internal Revenue from probing into his tax affairs and those of his brother, PETER. These injunctions were to seek to block Internal Revenue Service from subpoenaing witnesses and examining records on matters prior to January 1, 1958 involving the financial affairs of Badger State Boxing Club, the Hotel Roosevelt and The Pub (Gallagher's Steak House).

The Milwaukee Sentinel of February 9, 1962 reported that Federal District Judge TEHAN ruled on February 8 that there was "probably cause" to believe that the tax returns filed for the Hotel Roosevelt, Badger State Boxing Club and Gallagher's Restaurant, as well as the Subject individually, for the years 1955 through 1960 were "false and fraudulent."

In these four separate cases the Subject and his brother, PETER, attempted to enjoin Internal Revenue Service from investigating their returns for the years prior to 1958.

The news article reported that for the years 1955 through 1960 Subject filed joint returns with his wife indicating annual income of \$5,100 to \$9,950, but that in 1956 Subject represented to a bank that his annual income was \$16,500 and in 1960 he told an insurance firm from which he was seeking a loan that his income was \$15,000.

On the same date the Milwaukee Journal reported that a notice of Intention to Appeal to the Circuit Court of Appeals in Chicago was filed on the Subject's behalf and on February 16, 1962 ED SCHWALBACH, Special Agent, Internal Revenue Service, furnished the following information which he had received from U.S. Attorney JAMES B. BRENNAN.

BRENNAN had received a call from the U.S. Circuit Court of Appeals, Chicago, regarding the appeal filed on behalf of the Subject and BRENNAN was required to file an answer by February 20, 1962 and thereafter a ruling would be made within a week or ten days as to a temporary injunction which BALISTRIERI was seeking to prevent Internal Revenue Service from making third party contacts in connection with their investigation. The court suggested to BRENNAN that in the meanwhile Internal Revenue Service should cease making third party contacts and BRENNAN agreed to this procedure.

The Milwaukee Sentinel of February 2, 1962, in connection with Milwaukee Common Council's licensing committee hearing on the suspension of the license for the Downtowner, a strip joint owned by the Subject, would be held on February 20, 1962.

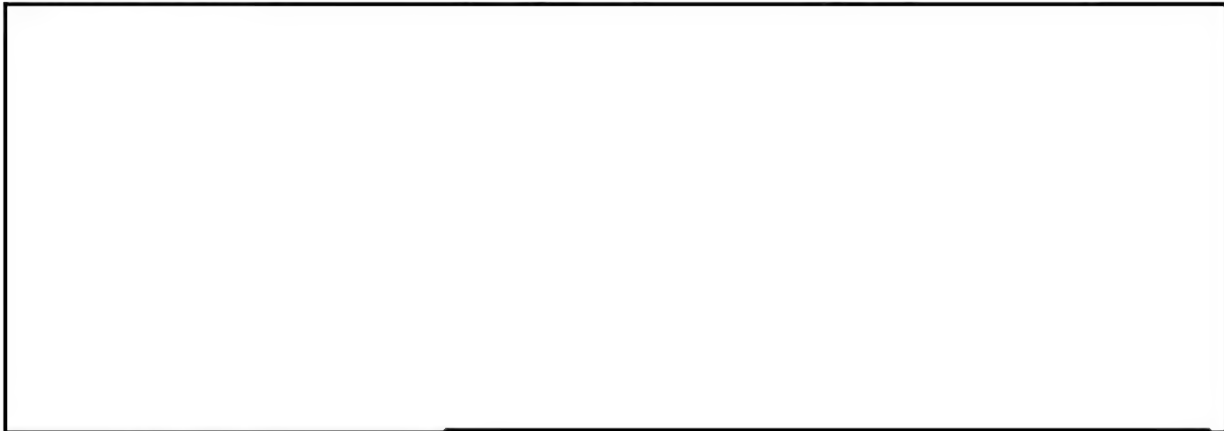

The basis for the police department's recommendation to the licensing committee on which the hearing would be held were the fining of two dancers on October 18 on charges of soliciting drinks from the customers and the contention that Subject disobeyed an order not to engage directly or indirectly in the distribution of coin operated machines and devices.

On November 14, 1961, Assistant U.S. Attorney WILLIAM J. MULLIGAN said that he had learned that Subject and WALTER BROCCA were to appear at the Milwaukee District Attorney's Office to answer complaint from a third party that a check drawn on the Para Corporation, payable to WALTER BROCCA, had failed to clear through normal banking channels after several attempts had been made to get this check honored.

On November 27, 1961, TOM LUBENOW, Milwaukee Journal reporter, said that he had heard that BALISTRIERI "was recently passing bad checks in Milwaukee" and that a local tavern had received one of Subject's checks made out to WALTER BROCCA. LUBENOW went on to say that he had also heard that BERNARD KLEIN had made good on BALISTRIERI's checks.

On December 27, 1961 DONALD JACKSON, IRS Agent, furnished the following information:

According to the records of MARVIN TOPPER, BALISTRERI's accountant, MARY E. OYDA was listed as a stockholder in The Pub and had a twenty-five per cent stock interest.

On December 26, 1961 OYDA who resides at 5229 North 33rd Street, Milwaukee, answered a summons of IRS and denied that she had any interest in The Pub or any other endeavor of BALISTRERI, and she denied ever having been in The Pub.

She also was questioned as to whether she had signed the name MARY E. OYDA which appears on signature cards of Bank of Commerce and the American State Bank as secretary of

MI 94-316

The Pub. This name also appears on an amendment to the articles of incorporation of The Pub which is filed with the Secretary of State, Wisconsin, is dated July 3, 1956. Its purpose is to change the name of The Pub to the Beachcomber. OYDA denied to JACKSON that she had signed the bank signature cards and the amendment, and she furnished JACKSON with samples of her signature. She also expressed surprise to JACKSON that her name had been used and although she was not specifically asked as to whether her permission had been sought, she did say "I ~~don't~~ know my name had been used and I don't know who used it."

JACKSON said that not only OYDA had been summoned but that all other persons who appear as officers of Subject's various enterprises were being summoned to be questioned as to whether they had received or furnished money to the Subject or to his business enterprises and also to determine the extent of their activities in the various operations, since JACKSON was of the opinion that most of them if not all were merely figurehead names, and he anticipated that BALISTRERI would endeavor to claim receipt of letters of loans from these individuals in an effort to explain his own income.

In this regard BEN BARWICK who is business agent for the Local 64, Bartenders Union, appeared as secretary of the Badger State Boxing Club, and he had been summoned to appear on December 27, 1961 regarding this matter. He appeared in answer to the summons with Attorney DOMINIC FRINZI and took the Fifth Amendment to every question that they asked him.

JACKSON said that other individuals being called in were ROBERT BUNDY, who was listed as secretary of the Roosevelt Hotel, Inc., and shown as one of the incorporators, JOE MANIACI, JOE DENTICE, ED MEISSNER (whose son is a detective on the Milwaukee Police Department), and RUDOLPH PORCHETTA.

On January 23, 1962, Internal Revenue Service Special Agent JACKSON exhibited the statement taken by Internal Revenue Service from MARY OYDA, 5229 North 33rd Street, which showed that she was employed at the First Wisconsin National Bank and that she was a cousin of Subject's wife.

In the statement she disclaimed any other connection with the Subject and said that she had never had any business dealings with him. She denied knowing PETER BALISTRERI or BUSTER BALESTRERE. She said that JOE DENTICE was married to another cousin who was a sister of Subject's wife.

She denied knowing ED MEISSNER, JOHN ALEXANDER and STEPHEN DI MAGGIO, who also were shown from time to time on the corporate records of those corporation which were predecessors to Gallagher's.

She said that she had never had any dealings with or knowledge of the operations of any of these corporations which were listed as the Pub, the Tradewinds and Gallagher's. She denied that the signatures on the corporate records were hers and said that they were put there by a person unknown to her without her permission.

On the same date Special Agent PETERSON, Internal Revenue Service, said that their investigation disclosed that on June 8, 1956 check No. 1084 of the Pub, Inc., drawn on the Bank of Commerce and certified under No. 36955, was signed MARY E. OYDA. This check, which was in the amount of \$150.30, was payable to Central Wisconsin Motor Transport Company for bamboo from Johnson Products.

GUIDO MEYER, owner of Guido's Swiss Inn and Municipal Judge, advised he recalls a woman by the name of BARBARA HESIAK who has, in the past two or three years, been in his bar on several occasions - each time with a different man. Mr. MEYER said that to his knowledge she has no visible means of support and aside from a very short time when she worked as a waitress, she has been unemployed. MI 94-316

The following information was received from New Orleans on October 31, 1961:

The Club Louisiane, operated by FRANK VUCCI, is a known gambling and bookie operation in West Baton Rouge Parish, Louisiana. VUCCI was interviewed in connection with another investigation and said that he had completely closed down his booking operation, acting on the advice of counsel after new Federal legislation was enacted in September, 1961.

The Texas Lounge has also been reported as a booking operation where one EUGENE NOLAN, a local gambler and bookmaker was known to have telephone service. Information was also received that NOLAN was interested in a new club under construction in Iberville Parish just outside East Baton Rouge Parish.

It is noted that MILTON D. LINDSEY has been employed at the Club Louisiane in the past and also at the Texas Lounge. His latest employment, according to credit records is the Country Manor Club which is possibly identical with the new club mentioned above in Iberville Parish.

The Chicago Office advised on November 13, 1961, with regard to F. JOHNS as follows:

Investigation at 3620 North Ashland Avenue, Chicago, and 3620 South Ashland Avenue, Chicago, Illinois, and the immediate area around both of the above addresses failed to locate anyone by the name of JOHNS, who is now living there or has resided in the vicinity in the recent past. A check of the current city and Illinois Bell Telephone Directory failed to list the name of any F. JOHNS at either 3620 North or South Ashland Avenue, Chicago.

There was no record of F. JOHNS in the Chicago Credit Bureau, Inc., on October 30, 1961, when the files were reviewed by IC RICHARD D. ALLEN.

The records of the Bureau of Records and Communications, Chicago Police Department, as reviewed by IC RICHARD D. ALLEN on October 30, 1961, failed to contain the name of F. JOHNS.

The following information was obtained during the week of March 9 to 16, 1962, from [redacted] but it was not possible to submit this letter on March 16.

On March 10, 1962, members of the Milwaukee PD Special Squad, through arrangements with the subject, conducted an interview of JOE GURERA at a downtown restaurant. Subject told GURERA, in the process of making these arrangements, that he should tell the police that he was in Milwaukee due to the construction business and that the police had assured him, the subject, that they would not harass GURERA.

On March 15, 1962, informant advised that subject was very unhappy with ALEX GWIZDALA and intended, along with BEN BARWICK, head of the Bartenders Union, to see GWIZDALA in the immediate future before GWIZDALA returned to give further testimony to IRS in connection with a summons he had received from IRS calling for his appearance on March 26, 1962.

As background information relative to this, the Bureau is advised that GWIZDALA has for a number of years run a bar and grill and coffee shop for PHIL VALLEY, in addition, he was listed as an official in the Roosevelt Hotel Corporation organized by the subject in 1947. He appeared before IRS on March 10, 1962, in answer to a subpoena, and IRS agents got the impression that he was willing to cooperate but was afraid of possible consequences as far as the subject was concerned, as the subject had been to see him a day before he appeared and instructed him how to testify and GWIZDALA had failed to follow subject's instructions.

With further regard to the ALEX GWIZDALA matter mentioned in referenced letter, GWIZDALA was interviewed and denied that Subject had in any way threatened him prior to GWIZDALA's appearance on March 10, 1962. Likewise, GWIZDALA said he would immediately advise should BALISTRIERI or anyone on his behalf endeavor to talk to him prior to his scheduled appearance before IRS March 26.

Informant advised on March 20, 1962 that GWIZDALA identified to BEN BARWICK the identities of the Agents who had interviewed him and the matters that they had discussed. Informant confirmed further that BARWICK and BALISTRIERI are concerned lest PHIL VALLEY and/or "the other guy" will be implicated in BALISTRIERI's activities through information furnished by GWIZDALA.

IRS will be furnished information indicating this possibility so that they may pursue the matter when questioning GWIZDALA.

Informant also advised on March 18, 1962 that of the \$30,000 estate left by STANLEY WITKOWSKI, just deceased city clerk, WITKOWSKI had given the Subject \$5,000. No further details were furnished to Informant.

On 3/26/62, informant was present at a lengthy conversation between Subject and his attorney EUGENE KOENEN. Informant was able to obtain the following information:

With further reference to ALEX GWIZDALA, mentioned in reflet, Subject told KOENEN that he had not seen GWIZDALA in eight or nine years until the latter got subpoenaed by Internal Revenue Service (IRS), and then GWIZDALA called him, the Subject, and the Subject told KOENEN that he told GWIZDALA that he would appreciate the latter taking the Fifth Amendment but that if he did have to talk to tell the truth. Instead, GWIZDALA went down there and made up a story and didn't tell the truth when he claimed that he had put no money in (Roosevelt Hotel Corporation) and didn't get any stock, when in fact he did put money in and did get stock.

Subject and KOENEN also discussed the location of records of Melody Lane Corporation, which Internal Revenue Service is endeavoring to locate, and Subject told his attorney that his brother, PETE, had picked the records up from Accountant JANKINS but that he, the Subject, told JANKINS that when asked by IRS he "didn't have to remember."

With further regard to Melody Lane, which is a juke box corporation owned by the Subject but always disclaimed by him because of licensing difficulties with the city license authorities, KOENEN inquired of Subject how he was going to "record the payment from Melody Lane" as far as his personal tax return is concerned, and Subject told him he would do it just like next year.

Subject also expressed deep concern to KOENEN regarding the possibility of his getting subpoenaed to Federal Grand Jury now in session and the attendant publicity, and he said that DOMINIC FRINZI would represent him, (this individual is prominent hoodlum attorney in Milwaukee), and they are discussing the advisability of Subject suddenly being absent "due to illness."

Other information available to this office from the U.S. Attorney's office, which has been advised of Subject's extreme concern, is to the effect that Subject in fact is not to be called for Federal Grand Jury.

Notes On 3/27/62, informant furnished information indicating that LEO TANEL is on an apparently friendly basis with both Subject and JENNEY ALIOTO. TANEL is connected with Internal Revenue Service, Collection Division.

Item 9: Specific Examples of Information Obtained and Use Made of Information:

On 1/21/62, source disclosed that Subject had asked JOHN AIELLO to determine the details concerning information he had received that a Captain WAHLEN, Milwaukee Police Department, had obtained some siding from AIELLO's firm for practically nothing and was afraid that the circumstances of this deal would become known and "bounce back on him." On 1/25/62, source learned that Subject had obtained his lead regarding this matter from J. PAUL O'BRIEN, (who had been hired by TOMMY SORCE, a known gambler, to dig out and report items which could be used by the hoodlum element to embarrass public officials and other individuals who were causing the hoodlum element trouble)

Independent investigation had determined that Capt. WAHLEN is Special Investigator for Chief of Police, Milwaukee, who had been charged by the Chief with supervising an investigation aimed at revoking BALISTRERI's license for the Downtowner, one of his strip tease joints. It was known by this office that WAHLEN's name had appeared in the personal address file of one of several hoodlums who had been arrested by the Milwaukee PD and charged with selling forged notes and mortgages in connection with their siding business.

On 2/19/62, source learned that Subject was extremely angry about a newspaper article appearing in the "Milwaukee Journal" concerning the city's attempt to revoke the above license. A hearing was scheduled on this matter on 2/20/62. Subject stated in source's presence on 2/19/62 that if the efforts to "heckle" him persisted he was going to stop talking and "punch back." According to the Subject someone at the Police Department is trying to cover up, and the Chief is "so cocky because he thinks I'm not going to say anything." Subject indicated that Milwaukee policemen have been taking money and "everybody else has been violating laws" and that he, the Subject, is thinking about getting a Chicago attorney to come in to Milwaukee and "really rip it wide open."

MI 66-950

On 3/10/62, source learned that members of the Special Squad of the Milwaukee PD in their efforts to interview JOE GURERA arranged through the Subject for this interview to take place at a specific time at a downtown Milwaukee restaurant, and Subject told the PD that GURERA would under no circumstances come to the Milwaukee PD for the interview. Subject was assured by the Milwaukee PD officers involved that they did not intend to harass GURERA but would treat him like a gentleman. Subject told GURERA of these arrangements and instructed him to tell the police that he was in Milwaukee inquiring about the possibility of the construction business here because he liked Milwaukee schools for his children.

It is known to this office that the interview was conducted and that GURERA followed Subject's instructions. Independently, it is also known to this office that GURERA is a Kansas City hoodlum of long standing, a brother-in-law of BUSTER BALESTRERE, one of Subject's "body guards," and from informant information it appears that GURERA came to Milwaukee to assist BUSTER BALESTRERE in organizing gambling in the city so that the Subject and his group would get a cut out of each gambling operation in Milwaukee. GURERA, according to informant information, is a strong arm man and is assisting in this regard.

On 3/15/62, source advised relative to the conversation between the Subject and BEN BARWICK, head of the Bartenders Local Union, right-hand man for PHIL VALLEY, who is head of the Hotel and Restaurant Employees Local Union. Subject was unhappy with the fact that GWIZDALA — had talked to Internal Revenue Service (IRS) agents in answer to summons and in fact had talked to GWIZDALA in advance of his appearance in an effort to get him to take the Fifth Amendment. It was apparent to source that both the Subject and BARWICK were concerned that GWIZDALA would implicate another person (PHIL VALLEY) in the matter because GWIZDALA had told IRS that he had not put any money in the Hotel Roosevelt Corporation (one of Subject's business enterprises being investigated

MI 66-950

by IRS), when in fact he had put \$5000 in it of his own money. Independent information has been previously received that PHIL VALLEY had a financial interest in the Roosevelt Hotel, and he is also believed to have held financial interest in the Royal Hotel where GWIZDALA on the record is the leasee of the bar and restaurant.

Since GWIZDALA had been served with another summons and was due to appear on March 23, 1962, before IRS relative to Subject's personal tax liability investigation, IRS was very happy to receive this information. IRS advised that GWIZDALA might be willing to talk relative to other matters, and on 3/19/62 he was interviewed in an effort to obtain intelligence information and to determine if there had been an obstruction of justice violation on Subject's behalf based on the latter's contact with GWIZDALA prior to his first appearance and based on source's information that Subject and/or BARWICK intended to see him prior to his second appearance.

In the interview GWIZDALA denied that he had been threatened by the Subject or told how to testify but said that he would advise this office if he was further contacted on Subject's behalf. At this time he reiterated his denial that PHIL VALLEY had any part of the Royal Hotel and also again denied that he had any financial interest in BALISTRIERI's activities at the Roosevelt Hotel.

Instead of contacting the Bureau office as he had promised GWIZDALA immediately went to BEN BARWICK and told him that Bureau Agents had talked to him, which information source furnished on March 20, 1962.

On 3/16/62, informant furnished information whereby a new business enterprise just being entered into by the Subject can be identified.

On 3/26/62, source learned that Subject told one of his attorneys, GENE KOENEN, about the GWIZDALA matter,

MI 66-950

and again Subject reiterated that in spite of GWIZDALA's claim to the contrary the latter actually did put money in and got stock out of the Roosevelt Corporation. On this occasion Subject and his attorney also advised source that Subject's brother, PETER BALISTRIERI, had some records relative to Melody Lane Corporation, which IRS was endeavoring to locate. Subject also was discussing with his attorney the matter of recording payments to him from Melody Lane for income tax purposes and said that he would record them in the same fashion as he had last year.

In regard to Melody Lane, it is known to this Office that Subject owns this concern, which is a juke box distributorship, but that he is hiding this fact because if he were open about it the City Council would possibly take away his tavern license, which has been unsuccessfully tried several times.

The above information is being made available to IRS (with the source suitably concealed) as of interest in their inquiries into Subject's corporate and personal financial situation.

On 3/27/62, source advised that JENNY ALIOTO appears to be on a very friendly basis with LEO TANEL, IRS Collection Service, and furthermore that TANEL likewise may be on a friendly basis with Subject.

Source also advised on 3/27/62 that an individual believed identical with [redacted] contact BALISTRIERI after waiting for him for a considerable period of time. This information is of value since [redacted]

[redacted] which information was furnished to the Bureau by Milwaukee letter 3/24/62, captioned [redacted] Part of this information was to the effect that Subject verified to [redacted] from [redacted]'s standpoint, and [redacted] had advised an Agent that [redacted] to obtain additional information relative to the [redacted] matter. Source's assistance in this regard tends to substantiate [redacted] to Bureau Agent.

Title: FRANK PETER BALISTRIERI

Character: ANTI-RACKETEERING

Synopsis: Information developed that subject connected with New Orleans top hoodlum CARLOS MARCELLO. Subject and henchmen allegedly met other U.S. hoodlums some place outside Milwaukee around March 24, 1962. Subject has been "laying low" since arrival in Milwaukee of JOE GURERA, but JOE GURERA, BUSTER BALESTRERE, and STEVE DI SALVO on behalf of subject, have organized gambling, collected payoffs and believed to have opened their own book in Milwaukee.

DETAILS:AT MILWAUKEE, WISCONSIN

MI T-6 on [redacted] furnished information reflecting that BALISTRIERI [redacted]

b7D

MI T-1 on March 24, 1962 said that subject, BUSTER BALESTRERE, STEVE DI SALVO and JOE GURERA were believed to be leaving Milwaukee that day to attend a hoodlum meeting at a place unknown to the informant.

On March 30, 1962 informant said that he had since learned that BUSTER BALESTRERE, STEVE DI SALVO and JOE GURERA flew to Hot Springs, Arkansas over the weekend of March 24, 1962. The purpose of the trip was to meet with a dozen or

MI 94-316

so other hoodlums from throughout the country to obtain the okay to organize gamblers in the Milwaukee area. The meeting was successful from this standpoint.

MI T-4 advised on April 2, 1962 that an individual from Las Vegas, Nevada, identifying himself only by the initials J.J.G., was endeavoring to get in touch with the subject and left a message for him at Gallagher's Steak House.

MI T-1 stated that this was probably JOE GURERA as he goes by the name of Mr. G or J.G. from time to time.

MI T-1 also advised on April 6, 1962 that a "muscleman" was in Milwaukee from St. Louis, Missouri, on the night of April 2, 1962, and was in company with STEVE DI SALVO at Gallagher's Restaurant. Informant does not know the identity of this individual.

ACTIVITIES REGARDING GAMBLING

MI T-7 advised that [REDACTED]

b7D

b7D

On April 12, 1962 Sergeant JOHN LAVIN, Special Squad, Milwaukee Police Department told SA RICHARD C. THOMPSON that on April 5, 1962, two officers of the squad were watching Gallagher's Restaurant around midnight. They observed DI SALVO's automobile with GURERA and BUSTER BALESTRERE in the rear seat, having an unidentified person between them. DI SALVO was driving. Subject was taking something out of the trunk of his own car, a 1959 Cadillac, and apparently got into DI SALVO's car as the officers were getting into position to follow.

The car was followed, and it was observed to contain five persons, as it drove to 1833 North Prospect Avenue, Milwaukee, Wisconsin. They remained there for 15 or 20 minutes and then dispersed. The officers "checked out" the unknown fifth individual who identified himself as JAMES SHELLON, an attorney whose office is at 1012 North 3rd Street. SHELLON told them that he operated the rooming house at 1833 North Prospect Avenue for his father who owned it. The officers surmised that the

MI 94-316

individuals might be obtaining an apartment at this address for use in booking operations.

It was determined that a NICK LANG on April 18, 1962 obtained unlisted telephone service at this address.

MI 94-316
JAH:esl

The following information was obtained from MI T-1 on the dates indicated:

On February 14, 1962, informant said that JOE GUERERA, who apparently had moved from Kansas City to assist the subject, BUSTER BALESTRERE and STEVE DI SALVO, was actually a long-time friend and possibly a relative of BUSTER BALESTRERE. According to informant, GUERERA is on the payroll of "the Milwaukee outfit" and seems to be living at BUSTER BALESTRERE's home.

On March 8, 1962, informant added that GUERERA has a prison record and is suspected among the hoodlum element of being a muscleman for the Kansas City outfit as well as being suspected of murder and robbery. His front in Milwaukee is an asphalt business.

On March 12, 1962, informant said that over the weekend before; namely, March 3 extending through 5, 1962, all of the gamblers in Milwaukee were called in to meetings at different taverns where it was explained to them by GUERERA, DI SALVO and BUSTER BALESTRERE that they were organizing in Milwaukee and all bookies were to advise them daily of their action and they were to receive one-third of the action. Additionally, they were going to open a bookie joint of their own, to which these calls were to be made. Informant said that the subject took no part in these meetings and his connection, if any, with them is a matter of question.

It is noted in this regard that MI T-3 advised on February 1, 1962, that RAYMOND HAYES, aka Ramey, who was connected with Wisconsin Suppliers and Builders, Inc., and was arrested with other individuals of this company, was going back into the gambling business in which he has a long background. According to informant, however, he would have to pay off FRANK BALIS-TRIERY to do this.

The bookies' reaction was immediate in that they are very unhappy and several of them have called out-of-town hoodlum connections to attempt to get them to intercede in the matter. Meanwhile, they are managing to hold off the above trio temporarily and have received promise that they would not open their own bookie joint for at least two weeks.

MI 94-316

MI T-1 said that BUSTER BALESTRERE, STEVE DI SALVO and JOE GURERA again contacted gamblers during the week of March 18, 1962 and told the gamblers that they would have to give 1/3 of their book to the "office" or else pay a flat sum each week to operate.

They then went to Hot Springs, Arkansas over the weekend of March 24, 1962, and according to informant confirmed this arrangement by contact with other hoodlums throughout the country. They returned to Milwaukee and again contacted the gamblers saying that the setup was definite, and compliance was necessary. They intimidated that punishment would follow if the gamblers did not get in line, hinting that they would kill one of the leading gamblers.

On April 13, 1962 informant stated that "DICK THE POLACK" and ROBERT PICK had returned from Florida, and that DICK was ready to resume operations on behalf of STEVE DI SALVO and BUSTER BALESTRERE.

It is noted that DICK THE POLACK probably ran a book for these individuals at 1612 North Van Buren, and was identified as RICHARD MILCAREK.

A spot check on the residence of BUSTER BALESTRERE, 1634 North Jackson Street, on February 14, 1962, resulted in the following observations by reporting agent:

At approximately 12:20 p.m., STEVE DI SALVO's 1961 white Pontiac, Wisconsin license B 10870 (1960-1961 tag) was observed parked at the rear of this address and it had not been there a few minutes previously. DI SALVO, BUSTER BALESTRERE and an individual later identified from a photograph as JOE GUERERA were observed to enter the car at this time. They proceeded to the Western Union Office, 318 East Wisconsin Avenue, where BUSTER was observed to apparently send a telegram. They then went to Gallagher's Restaurant, arrived there at 12:50 p.m., and were followed in about five minutes by the subject who came in his own car. None of them were observed to leave the restaurant until 3:05 p.m., when they all entered DI SALVO's car and went to the Para Corporation, at the intersection of Florida and the 6th Street viaduct. They remained there approximately ten minutes and later that day at 7:10 p.m. this car was observed parked on Cass Street at Wisconsin Avenue

MI 94-316

with the occupants not in evidence. At 8:30 p.m. it was observed again, this time behind Gallagher's Restaurant.

A check of the parking lot at Gallagher's Restaurant at 12:30 a.m., February 15, 1962, disclosed that the car was not there although subject's car was parked. At 2:20 a.m., DI SALVO's car pulled up to Gallagher's and subject and an individual tentatively identified as JOE DENTICE got out of the car, entered their own cars, and departed. Three other individuals remained in DI SALVO's car as it departed.

The following cars were observed at Para Corporation at the time subject and the above individuals were there:

1. Car bearing Wisconsin tag N 51-336, registered to Miller Brewing Company, 4000 West State Street
2. Car bearing Wisconsin tag [redacted] registered to HOWARD P. STEINHIBER, [redacted]

There were other cars there determined registered to individuals who apparently are employed by Holzman and Sons, which is also located in this building, where they run a waste paper business.

On February 21, 1962, additional observations were made of cars parked at Para which are not connected obviously with Holzman and Sons and may therefore be connected with the Para Corporation:

1. 1960 black Cadillac, Wisconsin Y 30-381, registered to Rio Refrigeration Company. This company is known to be operated by ALBERT REINHARDT. The individual connected with this car is described as 50 years, 6'1, 200 pounds, dark thinning hair, dark complexion, wears glasses.

Over the weekend of March 4, 1962 informant said that there were numerous meetings of hoodlums with Milwaukee area gamblers, but these were floating meetings held at different taverns throughout Milwaukee.

On March 12, 1962 informant noted that subject still was avoiding any meeting at Gallagher's, but that he did appear there for a short time and then disappeared for several hours, apparently meeting hoodlums at some other place.

On February 21, 1962 Sergeant JOHN LAVIN said that on February 15, 1962 the members of his squad had observed the subject along with BUSTER BALESTRERE, STEVE DI SALVO and JOE GURERA in conversation with JOHN VOLPE at the Holiday House.

It is noted that reporting agent also had observed these individuals together during the day of February 14, 1962 and late at night on February 14, 1962 and February 15, 1962, in the vicinity of Gallagher's, the Para Corporation and the Holiday House.

LEGITIMATE BUSINESS

The Milwaukee Sentinel of March 2, 1962, reported that the tavern amusement license of the subject at the Downtowner Bar, 340 West Wells, was being attacked by the Chief License Clerk of the Licensing Committee based on a 1947 ordinance which said that the amusement license of a tavern operator should be taken away for six months for violation of any rules or laws.

The article went on to point out that the week previously the City Council had suspended subject's tavern license for the above address for ten days based on charges that girl entertainers there had solicited drinks and that the subject was in the coin machine business, both being violations of tavern ordinances.

The Milwaukee Journal of March 30, 1962 said that action on a tavern amusement license held by the subject for the Downtowner (strip tease joint) was up to Chief of Police HOWARD O. JOHNSON. It was reported that JOHNSON would have to file a new complaint to effectuate any action by the Licensing Committee. The news article reported that he had not decided whether to file a complaint or not.

The following background information relative to GWIZDALA had been obtained in connection with a previous investigation. He and OSCAR BRACHMAN have the lease on the bar and grill at the Royal Hotel, 5th and Michigan Streets, Milwaukee, but persistent and authoritative information had been received over a period of time that PHIL VALLEY, head of the Hotel and Restaurant Employees Local and an international vice-president of the Hotel and Restaurant and Bartenders Union, actually held hidden ownership of this enterprise. Additionally, the State Department of Taxation had received information in 1948 that VALLEY had recently purchased, along with ROBERT BUNDE, the Grand Hotel, 4th and Wells Street, Milwaukee (later became the Roosevelt Hotel).

On the above occasions, GWIZDALA said that he had gone to IRS in answer to a summons and furnished them the following information which he reiterated as true and accurate information:

He joined the Roosevelt Hotel Corporation in 1947 at the invitation of BALISTRIERI and ROBERT BUNDE and was made vice-president, with BALISTRIERI being the president and BUNDE being secretary-treasurer. He knew both of these individuals

casually as frequenters of the Royal Hotel Bar and the Belmont Hotel Coffee Shop, which is where they actually approached him.

The arrangement as explained to him by these individuals was that they intended to operate the Roosevelt Hotel and in conjunction therewith would open a bar and a restaurant in space along Wells Street which was a part of the building. He was to operate the restaurant because of his background at the Royal Hotel. He said he did not put any money in the corporation and had a very nebulous arrangement as to what he was to get out of it, being dependent upon the successful operation of the restaurant and coffee shop.

In less than a year he pulled out of the corporation by writing a letter to the State of Wisconsin based on the fact that no steps had been taken to open the coffee shop and additionally he was being served with papers based on debts run up by the corporation, of which he had no part, when process servers were unable to locate the other officers.

GWIZDALA insisted that he did not represent anyone else in joining this corporation and specifically that he did not represent PHIL VALLEY either in this or any other endeavor. However, in this regard it is noted that MI T-4 had advised that GWIZDALA had put \$5000 into the corporation, not of his own, and BALISTRIERI was concerned because he had not admitted this fact to Internal Revenue Service and was afraid of the fact that "the other party" would get mixed up because of GWIZDALA's testimony.

GWIZDALA said that he had first met BALISTRIERI in 1940 around the Royal Hotel but that he only saw him a few times from 1941 until March 10, 1962, and that he had never seen him in the Royal Hotel to his recollection from 1941 on until this last mentioned date. On that date, BALISTRIERI came to the Royal to see GWIZDALA and asked him how he would testify before IRS, and also asked him if he was getting an attorney to represent him. GWIZDALA said that he walked away from BALISTRIERI without giving him a direct answer to his questions and that BALISTRIERI did not make any suggestions or threats during this conversation. GWIZDALA said that he would immediately advise if he received any threats from

MI 94-316

BALISTRERI or other sources relative to his appearance before Internal Revenue and said that he had received another summons to appear on March 26, 1962, relative to BALISTRERI personally as contrasted to the Roosevelt Hotel Corporation.

The Milwaukee Sentinel of February 24, 1962 reported that the Circuit Court had refused to halt the Federal Tax Investigation of BALISTRERI's records for the past six years.

The article went on to say that BALISTRERI had appealed Judge TEHAN's refusal to postpone the investigation beyond the statutory limit of the last three years. Judge TEHAN ruled on February 8, 1962 that there was probable cause to believe that BALISTRERI had made fraudulent returns, and thus was able to suspend the three year ban.

ADMINISTRATIVE

On 7/5/62, FRANK P. ZEIDLER was interviewed at his home at , LO 2-7901, by SA RICHARD C. THOMPSON.

b6
b7C

ZEIDLER said he would summarize the organized crime situation in Milwaukee as he saw it and he thereupon stated as follows:

FRANK BALISTRERI is the key to organized crime. ZEIDLER, as a student of the political scene, believes that BALISTRERI has important ties and influence in city government. In the first place, he is tied in with JOHN FLEMING, city attorney. Through FLEMING he is able to control the city council, except for Aldermen SCHREIBER and MORTIER. Badly susceptible to control are Aldermen HAAS, WITOW, KRANKE, LANZER and HAROLD JANKOWSKI. It is not known just how this control is maintained, although entertainment of the aldermen may be one of the keys to the situation.

MI 94-316

Several years ago ZEIDLER heard that Aldermen HAAS and KRANKE were seen at Gallaghers and BALISTRERI was observed to have picked up their check. ZEIDLER, then Mayor, called Chief of Police HOWARD JOHNSON when he learned of this, but within an hour Alderman KRANKE learned of the report and came forward to say that he had paid for his own meal. A little later ZEIDLER heard that HAAS had also stormed about insisting that he had paid his own check. The leak was never discovered, but ZEIDLER supposes that someone like KETROFF of the Milwaukee Sentinel was in the Chief's Office when the phone call was made and leaked the information to the Aldermen in question.

In addition, JANKOWSKI was once observed to say that he didn't favor BALISTRERI very much, except that BALISTRERI entertained very well.

Influence in the Common Council is, of course, important to the maintenance of tavern and other licenses by BALISTRERI for his front men.

BALISTRERI also has specific influence through his control of FRANK RANNEY, head of the Teamsters Union, who in turn controls the Labor Press. ZEIDLER also believes that BALISTRERI has some kind of hold on GEORGE HABERMAN, current head of the AFL-CIO. This combined control in labor prevents the Labor Press from speaking out against candidates desirable to BALISTRERI and prevents that defeat of such candidates through the labor vote.

MILTON MC GUIRE, who was Alderman in the downtown ward, was recently appointed Deputy City Treasurer. MC GUIRE has always favored BALISTRERI's element and the appointment was made to get MC GUIRE back where he could do the hoodlums some good.

RAY MARKEY, the new City Clerk, is not a Sicilian, although an Italian. ZEIDLER predicted that he will be scared into going along with the BALISTRERI mob. ZEIDLER pointed out that the City Clerk's Office can be very useful to BALISTRERI in license matters. The late WITKOWSKI, for many years City Clerk, was said to be a bosom pal of BALISTRERI.

MI 94-316

HENRY MAIER, the Mayor of Milwaukee, has aspirations of building a big city political machine, which will perpetuate itself in office. He has a "soft" policy toward the hoodlums and it favors an "open city" in return for votes which would aid him in building his political machine. He has made appointments favorable to labor, which helps to prevent the Labor Press from speaking out about city government. One of the differences between LUCEY of the State Democratic Party organization and Mayor MAIER allegedly lay in the fact that LUCEY believed that MAIER was controlled by the BALISTRIERI faction.

Mayor MAIER has appointed Fire and Police Commissioners TED KURTZ and PETE PALVOLICH, both of whom are amenable to sanctioning police promotions in keeping with the best interests of the city but favorable to BALISTRIERI. The great bulwark against bad police promotions lies in a ZEIDLER appointee to the Police and Fire Commission, RICHARD BLOCK. He favored the appointment of RAYMOND DAHL to the Inspector's job and opposed the appointment of HARRY KUSZEWSKI. According to ZEIDLER, several meetings were held in an effort to get KUSZEWSKI in as Inspector. One of these was allegedly held at the home of STEVE DOLAN. Another was allegedly held at the home of RALPH CAPONE, Mercer, Wisconsin. Mayor MAIER allegedly attended both meetings but the plans did not succeed.

BALISTRIERI has some kind of a hold on Captain STEVE DOLAN through the FLEMINGS. In addition, RAY FLEMING, clerk of District and Municipal Courts, controls the county politicians.

BALISTRIERI influences can also be felt as far as State Government through WAYNE WITTOW, brother of the Alderman GEORGE WITTOW, and through GRECO, another Milwaukee assemblyman.

ZEIDLER said he believed that the hoodlums controlled a man close to each police captain. He said he did not think it would work with a man like GEORGE FUHR, although he felt that FUHR could be influenced by GEORGE SPRAGUE. ZEIDLER believed that SPRAGUE is influenced by the BALISTRIERI mob, and he pointed out that a big party was

MI 94-316

thrown for SPRAGUE on the south side. This party got much bad publicity, however, which has virtually stopped the throwing of benefits for high police officials.

Mayor MAIER has some kind of a tie up with the FAZIO family. Mrs. MAIER is a close friend of one of the FAZIOS.

MATT SCHIMENZ, who recently testified against HAROLD KLEIN has been close to the junk dealers for years. He has been an important figure in Milwaukee politics.

Alderman WITTOW, apparently wanted the business of building the Hillside Housing Project on which LEONARD STEICH (Horizon Homes) was apparently the successful bidder. ZEIDLER heard through a roundabout way that HARRY KAMINSKY, who has loaned money to most of the hoodlums, said that WITTOW could be dealt with in the Hillside Housing Project, and the price of paying him off was a new car.

GEORGE BOWMAN (City Attorney's Office ?) was formerly one of the men who ZEIDLER believes under the influence of the BALISTRERI crowd. Now, however, he is exposing them and must be regarded as a traitor by him. ZEIDLER does not understand this change of attitude.

Judge ROBERT HANSON is regarded by ZEIDLER as a very well-informed person concerning BALISTRERI and the Milwaukee Mafia. He also allegedly knows their pipe line into IRS. Judge HANSON was pressured a good deal by the BALISTRERI crowd when he was police judge (District Court) and has probably picked up something from that experience. He also is a former partner of JOHN FLEMING and JOHN DOYNE, who is now County Executive. ZEIDLER pointed out that DOYNE defended BALISTRERI in the multiple tavern license matter several years ago, but has tried to pull away from the BALISTRERI influence. ZEIDLER said he believes that DOYNE was threatened. According to ZEIDLER, Alderman WITTOW and one of the FLEMINGS got a lot of land in Granville on a "soft buy" - probably a form of buying influence. He said he does not know who made the purchase possible.

MI 94-316

Alderman CALHOUN of the 18th Ward, who is close to HILMER CHRISTOPHER, the jeweler, threw a big party for Inspector SCHMIDT of the Milwaukee PD. CHRISTOPHER is close to Alderman WITTOW. CHRISTOPHER is quite a politician in that he helps candidates run for election and may be one of the agents through which influence is obtained by the hoodlums.

Alderman ZILLMAN's ward covers Jones Island. The Attorney KOENEN, who represents BALISTRERI, has an interest in a drive-in restaurant on Jones Island. The same faction that got the restaurant also wanted a share on the Municipal Pier several years ago.

PAUL O'BRIEN, former Journal reporter, now works for the BALISTRERI mob. ZEIDLER has talked to him a lot, and that he is sure that he has now told BALISTRERI everything that ZEIDLER had to say.

GILBERT KELLY of the Teamsters Union, once went to organize cheese factory workers somewhere in the state. At one place he was told that he could never organize the employees because the management was under the Mafia. ZEIDLER said that GILBERT KELLY is a good guy, even though he works for RANNEY.

Recently FRANK BALISTRERI went to Mayor MAIER and asked that the city get out of the rubbish hauling business. ZEIDLER said he could not remember his source of this information. He said that the way he heard it the discussion became a shouting match. ZEIDLER said that the Mayor could not take the city out of the rubbish business but could recommend to the Council that the city quit. He could use as an argument the fact that the city has trouble with the union.

The woman was approximately 40 years of age and blonde.

The man and STEVE DI SALVO left the car and went in to 1012 South 1st Street until 12:44 PM, at which time they departed. They returned at 1:03 PM at which time GURERA came out to the car, which was parked on the east side of 1st Street to the south of 1012 South 1st Street. BUSTER BALESTRERE came out of the door but did not go to the car. BUSTER, STEVE and JOE then went into 1012 South 1st, and STEVE and JOE were observed talking together at the

desk out of the immediate presence of BALESTRERE. STEVE had some paper which he was exhibiting to GURERA. It was in the form of a tear-out sheet from a sales book and was noted to have a carbon back.

At 1:11 PM, GURERA and DI SALVO went to DI SALVO's car and joined the unknown man and woman, who had remained in the car. BUSTER BALESTRERE went to the street with them, and they waved him to come along, but he declined. They were surveilled as they proceeded south out of Milwaukee on Highway 38, but the surveillance was discontinued at Mitchell Field Airport as they continued south.

At 2:25 PM, it was noted that BUSTER BALESTRERE was still at 1012 South 1st Street, and he remained there until 3:30 PM when the observation was discontinued.

On July 11, 1962, at 10:30 AM, it was observed that STEVE DI SALVO was at 1012 South 1st Street. At 11:06 AM, on this date, JOE GURERA's automobile was observed parked in the driveway of his residence and was kept under observation until 11:44 AM at which time FRANK BALISTRERI drove up to GURERA's residence, and GURERA joined him in BALISTRERI's 1959 Cadillac. They proceeded to 1012 South 1st Street and picked up DI SALVO at 11:59 AM after he had parked his automobile on a lot adjacent to this address at the intersection of South 1st and West Mineral Street.

The three of them proceeded to Arlington Park Race Track at Palatine, Illinois, where the surveillance was discontinued at 1:55 PM. During the time they were leaving Milwaukee, Special Agent RICHARD C. THOMPSON was contacted by radio and joined in the surveillance to Illinois.

On July 12, 1962, at two PM, the following automobiles were observed at the rear of BUSTER BALESTRERE's residence, 1634 North Jackson Street: BALESTRERE's Chevrolet, 1962 white over blue, bearing Wisconsin license E51896; GURERA's Chevrolet; PETER BALISTRERI's Oldsmobile; a 1959 tan Mercury station wagon, Wisconsin license E60-402 (registered to CARL DENTICE); a 1960 white over light blue Chevrolet, Missouri license [redacted] (registered to JOHN E. ABNEY, [redacted] Missouri). b6

At 8:40 PM on July 12, 1962, BUSTER BALESTRERE's Chevrolet, ABNEY's Chevrolet, DENTICE's Mercury and a truck from Unity Cleaners, 1012 South 1st Street, were observed behind BALESTRERE's home. At 11:30 PM, the only cars left there were

BUSTER's Chevrolet and ABNEY's Chevrolet. DENTICE's Mercury was observed at Gallagher's Restaurant; and GURERA's Chevrolet and the Unity Cleaners truck were observed at GURERA's home.

Also observed at this time in the immediate vicinity of GURERA's residence were a 1961 Chevrolet, bearing Wisconsin license E65535 (registered to Wheels Inn, 6200 Northwestern Avenue, Chicago) and a 1962 blue Chevrolet, Massachusetts license R89-829. At 3:30 AM on this same night (July 12-13), these cars were still parked at the same spot plus which there was an older Chevrolet, approximately 1955, bearing Wisconsin license [redacted] (registered to WILBUR H. WRIGHT, [redacted]).

On Sunday, July 15, 1962, at 11:45 AM, SAs JOHN A. HOLTZMAN and ALBERT B. KNICKREHM had occasion to go past GURERA's home at which time GURERA's car was noted to be parked in his driveway. Parked in front of his residence was a 1958 Chevrolet panel truck bearing name of Starbright Cleaners and bearing Wisconsin license [redacted] (registered to NICK TARANTINO, [redacted]). The driver of the car was not present, but there was an Italian-appearing man in the passenger seat, being approximately 30 years of age, having black wavy hair.

It is known to Agents that Starbright Cleaners is operated by NICK TARANTINO, who is very active as a bookie in the city of Milwaukee. MILWAUKEE, WIS

b6
b7C

Also parked in front of GURERA's home at this time was a 1959 light blue Ford, bearing Wisconsin license [redacted] (registered to ROLAND H. LAMBOY, [redacted]). At 4:30 PM on this date, observation was again made of GURERA's address at which time it was observed that there was a 1962 blue Chevrolet, Wisconsin license J53042 (registered to Milwaukee Car Lease, care of Pratt Manufacturing Company, 3097 West Mill Road).

On July 16, 1962, at 11:45 AM, GURERA was observed in his Chevrolet, which was being serviced and filled with gasoline at the Star Gasoline Station across the Street from 1012 South 1st Street. He was then observed to drive across the street, park his car and enter 1012 South 1st Street and immediately made a telephone call. At 1:45 PM, on this date, his car was noted to be still parked, and although he was not personally seen, BUSTER BALESTRERE was seen in the window of Acino Cleaners, 1012 South 1st Street.

MI 92-257

On July 17, 1962, at 12:30 AM, the following observations were made at GURERA's residence by Agents HOLTZMAN and ALBERT B. KNICKREHM. GURERA's car was parked in the driveway, and the following listed cars were parked in front of his residence: 1959 Ford, Wisconsin license [redacted] (registered to ROLAND H. LAMBOY); 1962 Chevrolet, Wisconsin license E65-535 (registered to Wheels Inn., 6200 Northwestern Avenue, Chicago, Illinois); 1962 Chevrolet bearing Missouri license [redacted] (registered to JOHN ABNEY); and a 1962 Chevrolet bearing Massachusetts license [redacted] (registration not known.) b6 b7c

Detective ED MARLOWE, Milwaukee County Sheriff's Office, advised on August 15, 1962, that on July 11, 1962, at 11:10 AM, while he was on 5th Street between Wisconsin and Wells in the vicinity of the Clock Bar, he saw an individual known to him as PAUL SMITH, a bookie who hangs around the Clock Bar, enter a taxicab with an individual that MARLOWE believes was Subject BALISTRERI. These two individuals proceeded to Acino Cleaners, 1012 South First Street, and while Detective MARLOWE had this address under observation, he was accosted by STEVE DI SALVO, who told him "Come on over and introduce yourself, and then we'll all know each other." DI SALVO then went to Acino Cleaners, and the two individuals-- SMITH and the person believed to be the Subject--departed in the cab which then went to the Clock Bar where SMITH alighted. MARLOWE does not know where the other individual got out of the cab.

MARLOWE described PAUL SMITH as approximately 45 years of age, 6' tall, 230 lbs., having dark wavy hair and wearing glasses. MARLOWE has frequently seen him in the vicinity of the Clock Bar and has heard that he is a horse bookie and a runner for other gamblers.

Date July 24, 1962

The following observations were made by SA JOHN A. HOLTZMAN on the dates and at the times and places indicated:

On May 25, 1962, at 1:45 PM, an individual, later identified as RICHARD J. MILCAREK, was observed to enter his automobile, a 1960 tan Thunderbird, bearing Wisconsin license [redacted] at his residence, [redacted]. He was followed briefly as he proceeded east on National Avenue, then north on Hawley Road. During this time it was possible to observe that he had a short-wave type radio mounted in the center of his dashboard just below the regular car radio and also that the car had an extra antenna in the center of the roof, which antenna was of the short-wave type.

b6
b7C

MILCAREK is described as being 45 to 50 years of age, 5' 8", 155 lbs., dark brown hair, receding at the temples, pointed nose, tendency to paunchy stomach. He was wearing heavy-rimmed green glasses.

On June 26, 1962, while conducting a spot check in the vicinity of 3014 West Pierce Street, Milwaukee, MILCAREK's car was observed at 3:40 PM parked on 31 Street midway between Pierce and National Avenue on the east side of the street.

On July 6, 1962, at 10:35 AM, MILCAREK was observed while driving his Thunderbird at the intersection of 70th and National streets. He was observed to go to the Cup 'n Saucer Coffee Shop at 7312 West Greenfield. His car was parked on 73rd street, and it was possible to observe the short-wave radio in it, which was noted to be a Johnson make, Viking Messenger model. He was noted to remain in the Cup 'n Saucer Restaurant until 11:15 AM. When he left there, after a stop for gas at 67th and Greenfield, he proceeded to the vicinity of 3014 West Pierce. He parked his car on 31st Street between Pierce and National at 11:30 AM and proceeded on foot to Wyngate Tower Apartments, 3014 West Pierce.

On July 9, 1962, at 11:20 AM, MILCAREK's Thunderbird was observed parked on South 31 Street, midway between Pierce and National Avenues, and at 11:34 AM he was observed to get into this car and depart.

On July 11, 1962, at 10:45 AM, MILCAREK's car was observed on South 30 Street, midway between West National Avenue and Pierce Streets, parked on the east side of 30th Street.

On July 13, 1962, at 4:45 PM, his car was observed parked on 31 Street between West National and Pierce Street.

On July 16, 1962, at 9:43 AM, Subject's car was again spotted on South 31st Street between Pierce and National Avenue. It was placed under surveillance, and at 10:40 AM, MILCAREK was observed to leave in this car and proceed directly to the Cup 'n Saucer Restaurant at 7312 West Greenfield. He ate some food and examined a newspaper until 11:05 AM when the public telephone in the restaurant was heard to ring. He answered it and was overheard in part to state "--163 over ---." He was also heard to state "same number tomorrow." Following the conclusion of this call, he was heard to dial a number and repeat "--163 over---." He was also heard to mention the name of SANFORD. He left at 11:08 AM and returned to the vicinity of 3014 West Pierce Street where he parked his car on South 31 Street, between Pierce and National, and went on foot to 3014 West Pierce.

On July 17, 1962, at 11:15 AM, Special Agent ALBERT B. KNICKREHM and SA HOLTZMAN observed MILCAREK's Thunderbird parked in front of 7312 West Greenfield and noted that MILCAREK was in the Cup 'n Saucer Restaurant. Agents sat at the counter near the Subject, and at 11:27 AM the public telephone rang and Subject answered it. His conversation was not overheard except he was heard to mention the word "Philadelphia." Following the completion of this call, MILCAREK dialed a local number. He was not followed out of the restaurant as he left at 11:30 AM, but at 11:45 AM his car was noted to be parked on South 31st Street, between Pierce and National.

FEDERAL BUREAU OF INVESTIGATION

Date August 13, 1962

The following observations were made by SA JOHN A. HOLTZMAN at the places and at the times indicated:

Efforts were made from 8:25 AM until 2:40 PM on August 1, 1962, to locate RICHARD MILCAREK at various places where he is known to frequent, but he was not seen on this date. Likewise, he was not seen on August 2, 1962, at his residence [redacted] or other places where he is known to frequent. However, on this date, at 10:40 AM, a 1962 maroon Ford Galaxie, bearing Wisconsin license G59-714, was observed parked on 30th Street just south of Pierce and in the immediate vicinity of 3014 West Pierce. This car was determined to be registered to JOE ALIOTO, 3824 North 13 Street, Milwaukee.

b6
b7c

At 11:06 AM, an individual believed to be identical with JOE ALIOTO was observed in a public phone booth located on the fourth floor of 3014 West Pierce Street. The telephone number of this telephone booth is EVERgreen 4-9793, and the individual observed appeared to be approximately 25 years of age, dark complexion, straight black hair and wearing dark horn rimmed glasses. When he left the phone booth, he proceeded toward apartment 414, but he was not observed to enter any particular apartment.

On August 3, 1962, the above-described car of JOE ALIOTO was observed parked on 30th Street just south of Pierce at 10:30 AM. At 11:02 AM an individual known from photographs to be identical with Sheriff CEFALU was observed to emerge from 3014 West Pierce and stand at the doorway for one to two minutes looking around. The public phone on the fourth floor was kept under observation from 11:06 to 11:14 AM with no activity observed. MILCAREK arrived at the apartment at 11:15 A.M.

On August 6, 1962, at 10:14 AM, ALIOTO's Ford described above and MILCAREK's tan Thunderbird were both observed parked on 31st Street, approximately 100 yards south of Pierce Street. At 10:44 AM, MILCAREK was observed

to leave in this car and drive approximately three blocks to Lloyd's Restaurant, 3514 West National Avenue. Observations maintained from outside the restaurant and at 11:06 AM MILCAREK was observed to hurry to the phone booth located in the restaurant where he remained until 11:09 AM. He immediately left the restaurant after emerging from the phone booth, and although he was not surveilled from the point, his car was observed on 31st Street at 11:22 AM.

On August 7, 1962, at 10:10 AM, ALIOTO's car was observed on 31st Street south of Pierce. At 10:16 AM MILCAREK arrived at 3514 West National Avenue and again observation was maintained from outside the restaurant. At 11:04 AM he was seen to enter the phone booth, departing from the phone booth and restaurant at 11:11 AM. At 11:16 AM, his car was observed on 31st Street, just south of Pierce, and ALIOTO's car was still in that location.

On August 8, 1962, at 10:38 AM, ALIOTO's car was observed on 31st Street at the usual location, and at 10:39 AM, MILCAREK's car was observed on National Avenue across the street from 3514 West National.

Observation was made from inside Lloyd's Restaurant on this occasion, and at 11:07 AM the public telephone was heard to ring and was answered by MILCAREK. He was overheard to repeat the names of "Long" and "Ford" and said that he would see the party he was talking to "in the morning." He was then overheard to dial a number, which was believed to be Mitchell 5-9045 based on counting the number of clicks. During this conversation MILCAREK was overheard to mention the name KRALICH. He left the booth at 11:12 AM, and following his departure a section of the "Chicago Tribune" for August 8, 1962, was observed on the shelf in the phone booth and was retrieved. At 11:18 AM, MILCAREK's car was observed on 31st Street south of Pierce and across the street from the car of JOE ALIOTO, which was still parked there.

Balistrieri, a Milwaukee night club owner, has for years been involved in underworld activities in the Milwaukee area and is reputed to be the leader of the Italian criminal organization in Milwaukee.

On May 9, 1961, Balistrieri in testimony under oath before Internal Revenue Service (IRS) officials, alleged that certain of his business records had been destroyed in a garage fire. Preliminary investigation of the fire disclosed no information concerning any records being destroyed in that fire.

Enclosed herewith are two copies of an article appearing in the "Milwaukee Sentinel" of October 19, 1962.

USA JAMES B. BRENNAN advised 10/19/62 that this article is based on the following facts as related to him by JAMES WIEGHART under whose byline the article appears:

WIEGHART contacted BRENNAN, 10/18/62, and asked if the records seized from ALIOTO's apartment contained any reports of LEE DALTON (Special prosecuting attorney for John Doe investigation instigated by State Attorney General JOHN W. REYNOLDS). BRENNAN denied knowledge of this matter and thereafter WIEGHART said that a mutual acquaintance of his and JAMES SHELLOW (BALISTRIERI's attorney) told WIEGHART that SHELLOW was concerned because BALISTRIERI had some confidential law-enforcement records in that apartment which had been seized by Internal Revenue Service.

BRENNAN said he did not know whether or not any such reports had been received.

ERNEST JOHANNES, OCD, IRS, advised on 10/19/62 that no reports of DALTON's were included and that the only law enforcement reports found were two polygraph test reports having to do with the volunteered polygraph examination of two female entertainers at the Downtowner, (Subject's strip joint), who had been charged

early in 1962 with soliciting drinks at the bar. Information had previously been obtained by this Office from the Milwaukee PD that the attorney for BALISTRERI had made these entertainers available for polygraph examination--one of the conditions that he would get copies of the results.

It does not appear, therefore, that any illegally obtained law-enforcement investigative reports were found in the search, and it appears that the enclosed news article is based on an unwarranted conclusion arrived at by the reporter.

An article on page 2 of the "Milwaukee Sentinel" of October 19, 1962, reports that Internal Revenue Service was asked to return the records in a motion filed 10/18/62 by Attorneys JAMES SHELOW of Milwaukee and MAURICE WALSH of Chicago. The article points out that WALSH was attorney for TONY ACCARDO, who was acquitted earlier this month on a criminal federal tax charge, and quoted SHELOW that he had hired WALSH to assist him.

Find Secret Report In Balistrieri Raid

Law Agency Involved Unknown

By JAMES G. WIEGHART

A copy of an official, confidential investigative report on downtown tavern keeper Frank P. Balistrieri was among papers seized by internal revenue agents in a raid on an east side apartment Sept. 26, it was learned Thursday.

The investigative report was prepared by a law enforcement agency, sources said, but it could not be learned whether it was a local, state or federal agency.

The raid was on an apartment at 1609 N. Prospect av.

rented to Miss Joseph Alioto, bookkeeper for corporations headed by Balistrieri and his brother, Peter, also a downtown tavern keeper.

Internal revenue agents raided the apartment to find business records of the numerous corporations headed by the Balistrieris. Earlier attempts to obtain the records by subpoena had failed, according to United States Atty. James B. Brennan.

"Truckload" Seized

Brennan at the time of the raid said that a "truckload" of records were seized, but he did not reveal that the raiders had also seized the copy of the official investigative report.

Brennan Thursday refused to either affirm or deny that such a report was seized in the raid. Officials from the internal revenue service also refused to comment.

James M. Shellow, Frank Balistrieri's attorney, Thursday declined comment when asked how the copy of the investigative report got into record files of corporations headed by the Balistrieris.

"I cannot comment on records seized in the raid since we presently have a motion picture of the records and suppression of evidence," Shellow said.

Cannot Be Reached

Frank Balistrieri could not be reached for comment.

Frank Balistrieri, of 3043 N. Shepard av., is licensee of the Dowlstown, a strip joint at 340 W. Wells st. Peter Balistrieri, of 1646 N. Jackson st., heads the corporation that operates Gallagher's, a tavern and restaurant at 929 N. 3rd st.

Ernest G. Johannes, an internal revenue agent who obtained the search warrant for the raid, has said in an affidavit that the internal revenue service is investigating the individual federal tax returns of Frank Balistrieri and corporate returns of firms headed by both Peter and Frank Balistrieri.

Balistreris Ask Court for Records

The internal revenue service was asked Thursday to return business records of corporations headed by tavern keepers Frank P. Balistreri and his brother, Peter, in a motion filed with the federal court clerk.

The records were seized in a raid Sept. 26 on an apartment at 1609 N. Prospect av., rented to Miss Jennie Alioto, book-keeper for the corporations.

The motion, filed by attorneys James M. Shellow, Milwaukee, and Maurice Walsh, Chicago, seeks return of the records and suppression of evidence on the ground that the raid was improperly executed and the search warrant supporting the raid was faulty.

Walsh was the attorney for Anthony (Tony) Accardo, a Chicago crime syndicate leader who was acquitted earlier this month on a criminal federal tax charge. Shellow said he had hired Walsh to assist him.

Petitioners in the motion

were Frank Balistreri, 3043 N. Shepard av.; his brother Peter, 1640 N. Jackson st.; their parents, Joseph and Benedetta Balistreri, 7807 N. Santa Monica blvd., Fox Point; Carl Dentice, doing business as Carl Dentice Phonographs, 829 N. 3rd st.; Joseph Maniaci, doing business as Henri's Show lounge, 730 N. 5th st., and seven corporations headed by the Balistreri family.

The petition charges that the records "have not been used as the means of committing a criminal offense; nor were they possessed or designed or intended for such use."

The petition also charges that:

- The internal revenue service has no authority to execute a search warrant.

- The internal revenue agents were armed on the raid, which is against federal regulations.

- The affidavit in support of the search warrant, sworn to by agent Ernest Johannes, was not sufficient to show probable cause that the property described in the warrant was unlawfully concealed.

- Johannes excluded Miss Alioto and Shellow from the premises during the search.

- Johannes attempted to search Miss Alioto.

- No proper inventory or receipt of materials seized was given Miss Alioto or filed after the raid.

- The search and seizure violated the petitioners' constitutional protection from unreasonable search and deprived them of due process of law.

United States Atty. James B. Brennan, who ordered the search, said that federal rules authorize internal revenue officers to conduct raids and wear arms.

Brennan said the other charges would be refuted in an answer which must be filed by his office within 30 days.

"This type of motion is filed after almost every raid," Brennan said. "It is merely defensive strategy."

Law Agency Involved Unknown

By JAMES G. WIEGHART

A copy of an official, confidential investigative report on downtown tavern keeper Frank Balistreri was among papers seized by internal revenue agents in a raid on an east side apartment Sept. 26, it was learned Thursday.

The investigative report was prepared by a law enforcement agency, sources said, but it could not be learned whether it was local, state or federal agency. The raid was on an apartment at 1609 N. Prospect av.

rented to Miss Jennie Aliotti, bookkeeper for corporations headed by Balistreri and his brother, Peter, also a downtown tavern keeper.

Internal revenue agents raided the apartment to find business records of the numerous corporations headed by the Balistreris. Earlier attempts to obtain the records by subpoena had failed, according to United States Atty. James B. Brennan.

"Truckload" Seized

Brennan at the time of the raid said that a "truckload" of records were seized, but he did not reveal that the raiders had also seized the copy of the official investigative report.

Brennan Thursday refused to either affirm or deny that such a report was seized in the raid. Officials from the internal revenue service also refused to comment.

James M. Shello, Frank Balistreri's attorney, Thursday declined comment when asked how the copy of the investigative report got into record files of corporations headed by the Balistreris.

"I cannot comment on records seized in the raid since we presently have a motion picture of the federal court for the return of the records and suppression of evidence," Shello said.

As mentioned in previous report, on May 28, 1962, the Special Squad observed a car registered to ANTHONY MANGARACINA of Kansas City, Missouri, in the vicinity of Gallagher's Restaurant.

At Kansas City, Missouri:

On August 16, 1962, Kansas City advised that according to MI T-1 TONY MANGARACINA was engaged in a bookie operation with PATRICK M. MATURO, operating as Acme Jobbers, 1919 Main Street, Kansas City, Missouri, this address being in the same building as Giovanni's Restaurant owned by JOHN MANGARACINA.

JOHN MANGARACINA, also known as JOHNNY MAG, has long been identified by Kansas City informants as a top hoodlum figure in that area and when he was interviewed in 1954 by Kansas City Agents said that he had an interest in the Sherman Drug Company, which was operated by his brother, TONY. At this time Kansas City FBI Agents and detectives of the Kansas City Police Department considered the Sherman Drug Store as a place being engaged in fencing stolen merchandise.

On May 22, 1962, the records of the Jackson County Sheriff's Office, Kansas City, as to ANTHONY MANGARACINA, reflected that he had been received at the county jail January 2, 1962, to begin serving a one year jail sentence based on a conviction for stealing a motor vehicle on February 3, 1960. On August 15, 1962, these records showed that MANGARACINA was released May 22, 1962, on parole.

On October 4, 1962, Sgt. LAVIN, Milwaukee Police Department, advised Special Agent RICHARD C. THOMPSON that on the early morning of October 2, 1962, detectives of his squad had observed GURERA, FRANK BALISTRIERI, STEVE DE SALVO and JOHN VOLPE, Jr., at a table in the Holiday House and that around one AM GURERA and BALISTRIERI went to the phone booth where GURERA placed a long-distance call having obtained \$2 worth of change from the bar. During the call BALISTRIERI stood outside the booth, and after the call the two of them went to the men's room and were observed talking by the officers.

The next day Sgt. LAVIN obtained information from the Wisconsin Telephone Company that at 1:03 AM, October 2, 1962, a call was

made from the above described telephone booth, Broadway 3-9650, to St. Louis, Missouri, phone 621-8393, listed to LEONARD Produce Company, 27 Produce Row, St. Louis, Missouri.

In The Milwaukee Journal of September 27, 1962, an article states that JAMES SHELLOW, BALISTRERI's attorney, accused the Police in connection with this case of having a "Built-in bias" against BALISTRERI, and he endeavored to subpoena Police records relative to BALISTRERI back to July 1, 1957, in order to establish what he said was an organized and concerted program of harassment.

The Milwaukee Journal of September 27, 1962, reported that on September 26 "a truck load" of business records of corporations headed by the Subject had been seized by Internal Revenue Service (IRS). Seizure was made on the basis of a search warrant for the apartment of JENNIE ALIOTO, who was residing at [REDACTED] as LORETTA FISCHER.

The article went on to state that both Subject and his brother, PETER, had previously testified that records for which IRS had issued subpoenas had been destroyed in a fire on June 4, 1960, at 1634 North Jackson Street.

The news article quoted United States Attorney JAMES B. BRENNAN that some of the records found during the search of ALIOTO's apartment were those which FRANK and PETER had testified were destroyed.

An article in The Milwaukee Sentinel of October 4, 1962, reported that a "source close to the investigation" said that the government plans to submit its case to a federal Grand Jury, seeking to determine if the BALISTRIERI brothers or Miss ALIOTO had violated federal law by failing to turn over records as the government had repeatedly requested.

This article went on to state that an inventory of the seized records filed with the Clerk of Court showed that four filing cabinets and two boxes of books were seized. These containers had cancelled checks, journals, copies of tax returns, payroll records, checkbooks, invoices, bills, bank statements, ledgers and "Location of Coin Machines." The records depicted business transactions of six taverns, amusement device company, a construction company and a meat market.

The October 19, 1962, issue of the Milwaukee Sentinel reported a motion in Federal Court on behalf of JENNIE ALIOTO filed by attorneys JAMES SHELLON of Milwaukee and MORRIS J. WALSH of Chicago asking for the return of the records seized by Internal Revenue Service from JENNIE ALIOTO's apartment September 26. The petition asked the court to suppress the use of the records in any hearing or trial, stating that they had not been used "as the means of committing a criminal offense; nor were they possessed, designed, or intended for such use."

The November 17, 1962, issue of the Sentinel reported that the Government's answer to this motion had been filed, stating that the documents are "the instrumentalities of a crime."

The December 4, 1962, issue of the Milwaukee Journal reported that in a brief filed by the Government the Government said in support of the search warrant issued to Internal Revenue Service that it had probable cause to believe:

"That Balistrieri and the corporations he heads had committed violations of the federal internal revenue laws.

"That there had been a 'continuing attempt to evade' (those laws).

"That false records were maintained by the corporations . . . for the purpose of evading taxes.

"That false and incomplete records were furnished to the corporate accountants as a basis for the preparation of false returns.

"That corporate records were being concealed in violation of federal internal revenue laws."

MI 94-316

On October 20, 1962, the Milwaukee Sentinel carried an article reporting that J. PAUL O'BRIEN, former Milwaukee Journal reporter now a private investigator, had confirmed that he had prepared reports on the progress of police investigations into the affairs of BALISTRERI and submitted these reports to BALISTRERI. The reports, which also allegedly contain information on possible police corruption, were stated by the article to be among the records seized by Internal Revenue agents on September 26, 1962.

The article went on to state that O'BRIEN said he had also submitted the reports to "a state agency" that was interested in learning what BALISTRERI wanted to find out. BALISTRERI reportedly wanted to know why he was the subject of such intensive investigation, where the investigative agencies were getting their information, and what information they had on him.

FRANK DIMICELLI said that he, along with EDWARD BLACK, is the owner of The Rafter's Motel, 7228 South 27th Street, Milwaukee. He said that they purchased this and the adjoining restaurant, which is known as the Chez Paree, about two years ago.

He denied knowing NICKIE KOKENES or anyone else at Cicero, Illinois, and said that he does not know who could have used the telephones at the Rafter's Motel and the Chez Paree Restaurant to receive calls from Chicago. He said that he does know BILL KODRICK who used to come into the restaurant frequently as he was either going to or returning from the race tracks in Chicago. He said the last time KODRICK was in was about a year ago.

DIMICELLI promised to check his telephone bills to see whether any tolls were charged to his phones which would be of significance to this investigation.

DIMICELLI said that he knows FRANK and PETER BALISTRIERI but does not associate with them and sees them only infrequently. He said that he grew up with them in Milwaukee and that he would guess FRANK has not been in his restaurant over once or twice in the last year and PETER only a couple of times. He said he has been in Gallagher's Restaurant only infrequently and that he does not associate with these individuals otherwise. He denied knowing JOE GURERA or "Milwaukee Phil" ALDERISIO.

He said that these individuals do not meet at The Rafter's Motel nor do any other persons from Chicago or Milwaukee, so far as he knows. He said the motel is a headache to him as he is essentially a restaurant operator, having grown up in this business with his father who operated the Top of the Town Restaurant in Milwaukee, which is presently run by two other sons. DIMICELLI said he is seriously considering pulling the motel part out and converting it to enlarge his restaurant.

The Pontiac was determined registered to FERDINAND and M. KNUEPPL, [REDACTED] b6 b7C

At 5:10 PM, the Pontiac and Falcon left, and at 5:25 PM, DE SALVO, GURERA and two other men left in DE SALVO's car.

The person driving the Falcon was observed to be approximately 45 years of age, small build, having dark bushy hair, wearing horn rimmed glasses. He proceeded west on West Wells Street. The individual driving the Pontiac was approximately 55 years of age, medium large build, ruddy rough complexion and having a long turned up nose. He proceeded north on 3rd Street.

DE SALVO and the occupants of his car proceeded to Western Union Office on East Broadway where the two individuals besides DE SALVO and GURERA got out. They did not enter Western Union and it is not known where they went after they alit from the car. One appeared to be of Italian origin and could possibly have been FRANK BALISTRIERI as he resembled him as to facial features—and size in the dim light. The other appeared to be non-Italian, was approximately 50 years of age, 5'9", heavy build.

Due to traffic conditions it was not possible to continue the surveillance.

The following observations were made by SA JOHN A. HOLTZMAN on October 29, 1962:

At 1:20 PM, GURERA's car was spotted in the parking lot to the rear of Gallagher's Restaurant, 829 North 3rd Street. Also observed was a 1963 light blue Chevrolet, Wisconsin license A75-995 (registered to STEVE DE SALVO and previously carried on a 1961 Pontiac operated by him until the last few days).

At 2:33 PM, DE SALVO was seen to hurridly enter the above 1963 Chevrolet and obtain his coat and then hurry to the front of Gallagher's. At this point he entered the back seat of FRANK BALISTRERI's car which was already occupied by the latter and JOE GURERA. They proceeded to the Bockl Building located at 20th and Wisconsin Avenue and for approximately fifteen minutes after their arrival GURERA and DE SALVO were observed to remain in the lobby with FRANK BALISTRERI not being in evidence. GURERA and DE SALVO were not seen until all three of them left the Bockl Building at 4:55 PM when they returned to Gallagher's Restaurant and split up.

It was previously reported that on October 2, 1962, Detectives of the Special Assignment Squad (SAS), Milwaukee, Wisconsin Police Department, observed JOE GURERA placing a long distance call at the Holiday House, at which time he was accompanied by FRANK BALISTRERI. Police Department investigation disclosed that this call was made from Broadway 3-9650 public booth at the Holiday House to St. Louis phone 621-8393, listed to Leonard Produce Company, 27 Produce Row, St. Louis, Missouri.

The St. Louis Office on November 1, 1962, said that this company is operated by LEONARD KAUFMAN with JOHN JOSEPH VITALE, a top St. Louis hoodlum currently being employed as a salesman, according to the records. Investigation indicates that VITALE is probably the owner or at least the person who gives directions at the above company. KAUFMAN, who has no criminal background, is felt to be a front man for VITALE and associates.

Located in the same space at this address is the Midwest Leasing Company allegedly owned by SAM ROTH, a close associate of VITALE.

VITALE utilizes office space at the Produce Company, normally going to work at about midnight and remaining there until early hours of the morning. Numerous associates of VITALE in the hoodlum element meet with him and discuss various affairs on these premises.

The files of the Milwaukee Office reflect the following information relative to JOHN JOSEPH VITALE: FBI #753-259; date of birth May 17, 1909, at St. Louis, Missouri, 5'10", 192 pounds. In the early 1950's he was allegedly one of the enforcers for the Teamsters and Steam Fitters unions in St. Louis. Others associating with him in this activity were ANTHONY LOPIPARO, ANTHONY GIORDANO and RALPH CALECA, also known as SHORTY.

In 1954 WILLIAM WELSH and WILLIAM EUGENE BUFFALINO, Teamster officials from Detroit, were arrested by St. Louis Police in connection with a murder investigation. These two individuals

MI 94-316

were allegedly organizing the juke box industry in St. Louis with the assistance of VITALE.

In connection with the investigation of the Greenlease kidnapping case, VITALE was determined to be a close associate of JOSEPH COSTELLO, owner of the Ace Cab Company. VITALE was believed to have handled the missing ransom money. He was described at this time as a leader of a group of hijackers who had been sentenced for narcotics, also as the leader of a group of counterfeiters. He allegedly had good connections in Detroit and Kansas City. He was listed as having contact with JAMES DE GEORGE of Chicago and Hancock, Wisconsin, and also as a friend of CARLO MARCELLO, top hoodlum figure in New Orleans. At this time VITALE was the president of the Anthony Novelty Company.

In 1952 ANGELO LOCICICO, FBI [redacted] of Detroit was arrested with a large quantity of stolen Philip Morris Cigarettes. VITALE and SEBASTIAN VERNIGLIO were considered suspects in this case. VERNIGLIO is known to have hoodlum contacts and to have operated in the Milwaukee area.

b6
b7c

On July 30, 1962, JOSEPH CHARLES GUARNIERE and TONY LA ROSA, both of Milwaukee, were arrested with ANTHONY LOPIPARO and SEBASTIAN VERNIGLIO in possession of a truckload of stolen meat from Chicago.

In 1949, in connection with investigation of the theft of a large quantity of Parker Pens from the Parker Pen Company, Janesville, Wisconsin, it was determined that VITALE was selling such pens and upon interview admitted buying 33 dozen Parker pens and reselling them but refused to say where he had obtained the pens. Officials of the Parker Pen Company were unable to specifically identify these pens as having been stolen but stated that circumstances indicated that they were unquestionably obtained illegally.

On October 22, 1962, a typewritten anonymous note, undated, was received, reading as follows:

"Gentlemen"

"I want you to know that Frank Balistreri of Gallagher's and his friend Harry and two other men from Kansas City have been demanding 30% protection money from people in business. I hear they already asked Mike Amato of Amato and Guardabelene funeral parlor"

Date November 7, 1962

MICHAEL J. AMATO, partner with ANTHONY GUARDALABENE in the Amato-Guardalabene Funeral Home, 2001 North Holton, furnished the following information:

He resides at [redacted] and his wife and the wife of FRANK PETER BALISTRERI are cousins, making him a cousin by marriage to FRANK and a nephew by marriage to JOHN ALIOTO. He said that he is not closely associating with either of these individuals, going to their place of business only occasionally--once or twice a year. He said the bad reputation that FRANK BALISTRERI is getting makes it undesirable for him to go to Gallagher's. He said that the last time he was at Gallagher's was at a stag party for Dr. VITO GUARDALABENE, who is a brother of his partner, ANTHONY. Mr. AMATO said that so far as he was aware this was a legitimate testimonial for Dr. GUARDALABENE, who had been incapacitated for some time previous with a stroke.

b6
b7c

Mr. AMATO examined the anonymous note which alleged that FRANK BALISTRERI and his friend, HARRY, and two other men from Kansas City have been demanding protection money and had asked him.

After purusing the note, Mr. AMATO asked "Who's Harry?" and in response to questioning he said that he did not know who the note referred to as the men from Kansas City. He said that no one had approached him relative to pay offs or had there been any hint of such a demand. He said that he would advise if any such demand was made or hinted at.

Mr. AMATO then volunteered information that he does not approve of such activities as the whole Italian community suffers as a result of the activities of a few individuals. He said he feels so strongly about this that he sincerely hopes that his three daughters marry non-Italians.

Mr. AMATO disclaimed any first-hand information as to the activities of subject and his associates but said that he

On November 21, 1962 examination was made of a 1961 Thunderbird bearing Illinois License [REDACTED] which according to the attendant, LEE BARRON, [REDACTED], had been abandoned since November 18, 1962 behind Gallagher's Restaurant. This car contained pencils and match packets indicating that the occupant had been at the Desert Inn, Las Vegas, and at the "Living Room," apparently a night club at 867 North Rush Street, Chicago.

The Chicago Office advised that no record was contained in the Chicago Police Department or NATB relative to the theft of the car or the license which was issued to EARL NOVICK, [REDACTED] [REDACTED] Chicago, and that Chicago had no information in the file relative to NOVICK.

On January 11, 1963 PERRY LONDON of the S & L Music Company, 3150 West Lisbon, advised that the phonetic name of CHUCK WACONDA in connection with the juke box industry in Milwaukee apparently referred to CHUCK MACOMBER, age [REDACTED] of [REDACTED], DI 2-6876, and LONDON furnished the following information relative to MACOMBER:

b6
b7C

Over a period of about ten years following the war MACOMBER built up a juke box route of 50 to 75 locations. In about 1959 he bought out about 70 more machines from one MATT SCHAEFFER, deceased, and his route for about \$45,000. In approximately 1962 due in part to bad financial management and possibly due to domestic difficulties, MACOMBER went broke and most of his equipment went back to the finance company, however, LONDON felt that he may have concealed some of it from the finance company because thereafter TOM GIAMBETTI, an ex step-son of MACOMBER, tried to borrow \$12,000 on some old equipment. LONDON suspects that this may have been MACOMBER's equipment and estimated that it was worth about \$2,000 and consisted of ten old units.

The following information was received from Captain EDWARD REITZ, Milwaukee Police Department, relative to the activities of a Special Surveillance Squad of the Milwaukee Police Department under the command of Captain REITZ:

On December 12, 1962 Captain REITZ made available surveillance reports from the inception of the squad November 14 through December 12. No effort is made to set out the results in detail but the reports are available for inspection and possible testimony at a later date if needed. The pattern of activities from the reports of Captain REITZ are as follows:

November 14-20. No particular pertinent activities. BUSTER BALESTREERE was at Acino Cleaners, 1012 South 1st on a daily basis arriving there early in the morning and staying all day. STEVE DE SALVO would appear at Acino's on an irregular basis but almost daily. JOE GURERA was observed at Gallagher's in the evenings on practically a daily basis.

November 20-24. JOE GURERA apparently out of town as not able to locate.

November 23. As the surveillance squads were changing shifts, STEVE DE SALVO showed up and questioned them as to their activities. There was no reason for him to be in the area unless he had intercepted radio information indicating that the squads were to meet. On this same date attorney DOMINIC FRINZI threatened the surveilling officers with a law suit to prevent their activities.

November 24. GURERA back in town and attended a meeting at Gallagher's in company with STEVE DE SALVO, FRANK and PETER BALISTRERI and JOSEPH FUGARINO.

On November 26 JOE GURERA lost at 9 a.m. and not again located all that day or night,

November 27. BUSTER BALESTREERE and JOE GURERA were together and by use of evasive tactics eluded the surveillance squad. On the same date STEVE DE SALVO and GUS MARZULLO in DE SALVO's car took the surveillance squad south on Highway 41 and lost

them as they crossed to Illinois at speeds up to 100 miles an hour. They apparently were going to Waterford prior to the time they discovered the surveillance and succeeded in losing it. Captain REITZ pointed out that this was on a Tuesday night and that Tuesday nights were the pay off nights in MARZULLO's gambling operation which involved an individual at Waterford.

November 28. GURERA observed to enter 1840 North Farwell, an office building, purpose unknown.

November 28-30. No activity of pertinence and complete absence of any of the people at Acino Cleaners.

December 1-10. No activity of pertinence except that Subjects take evasive action whenever they discover a police car and were not inclined to move until late in the morning. The following is an example of their evasive activity and may indicate a new meeting place as a successor to Acino Cleaners:

December 10. JOE GURERA left Gallagher's on foot in the early afternoon, walked to the 3rd and Wisconsin Avenues, and hung around a drugstore there until he suddenly dashed out and jumped in the car operated by and registered to ROSARIO OLIVIA, bartender at the Downtowner. They were successful in evading the surveillers as they proceeded west off South 27th Street in the 4700 block near Atlantic Mills Discount House. At about this same time STEVE DE SALVO was observed by another surveillance squad crossing South 27th Street and proceeding in the same general direction and in the same vicinity.

December 12. GURERA and his wife were apparently looking for housing in the northern suburbs of Whitefish Bay, Fox Point, and Ozaukee Counties. The surveillance squad parked at a distance away from one house they were looking at in a rural area of Ozaukee County, it being after dark as GURERA and his wife backed out of the driveway of this house and then as they drove down the road they approached the surveillance squad at a high speed as though they were going to ram it and then turned off at the last moment.

MI 92-262

- 3 -

On January 2 and 4, 1963 Captain REITZ furnished additional surveillance reports reflecting the following information:

On December 12 and 15. FRANK, PETE, JOE, STEVE observed in converence at Gallagher's.

December 15-17. No pertinent activity.

December 17. DE SALVO observed to go to Acino Cleaners.

December 18. Meeting of several unknown persons along with FRANK and PETE BALISTRIERI, STEVE DE SALVO, JOE GURERA, BUSTER BALESTRERE, at Gallagher's late at night.

December 19-26. No pertinent activities except that STEVE DE SALVO is apparently making a record of surveillance activities by contacting the Cudahy PD when he observes the surveillance and having the Cudahy squads observe. Likewise he stops at various business places, particularly gas stations, and points out the surveillance squads to the attendant and endeavors to have him make a written note of the fact.

December 27. GURERA observed at noon at Fazio's on Fifth.

December 28. Meeting at Para Corporation including JOE GURERA, STEVE DE SALVO, WALTER BROCCA, and FRANK STELLOH, recently released from Waupun. Also observed at the parking lot of Para Corporation was a late model maroon and white Lincoln, Wisconsin license J46265 registered to Missionary Exchange, Inc., 414 South 3rd, and a late model Thunderbird Convertible, Wisconsin license J60-934 registered to MARVIN R. KASTNER, 2228 North 95th or 3460 North 16th. Early in the day officers had seen a 1956 green over tan Buick, Wisconsin license G50-067 in the vicinity of GURERA's home. Mr. PAUL E. KNUTH, 4468 North 76th Street.

Likewise during this period officers observed DE SALVO driving a 1955 black Chevrolet. Wisconsin license [redacted] listed to DOROTHY DE SALVO, [redacted] On this occasion DE SALVO was at the Red Pit Tavern, 5036 South Packard and as he left at 2:07 a.m. at high speeds the

officers attempted to follow him and observed a Gudahy police squad car also on the scene.

On January 4, 1963 Captain REITZ advised that officers had interviewed various neighbors of DE SALVO with the following results:

1. The DE SALVO's appear to have plenty of money although he is not gainfully occupied and does not return home until late in the evening. Each of the three children have a TV set and apparently plenty of money to spend - even the youngest daughter, who is pre-teen, has been known to take \$25 to go shopping.
2. Each of the children received a Polaroid Land Camera for Christmas and additionally friends of the family were given Polaroid Land Cameras. Mrs. DE SALVO has made the statement that STEVE "gets lots of stuff free".
3. Until the day after he was arrested on West Pierce Street in connection with a gambling raid September 5, neighbors reported that he had a very large radio which appeared to be a short wave set, upstairs in his house. It was described as being larger than an ordinary console receiver and having a metal case. One of the neighbors reported that the radio equipment was removed from the house the night after his arrest by STEVE and several other men in a truck.
4. DE SALVO is observed to burn something in his outdoor incinerator or fireplace late at night particularly on weekends, and he stands there until it is all burned and then rakes the ashes.
5. Out-of-state cars are often observed on the premises late at night.
6. [redacted] is an alcoholic and at least [redacted] in DE SALVO's absence at her invitation.

AL REINHARDT, 3551 North Teutonia, furnished the following information January 7, 1963 to SA's ALBERT B. KNICKREHM and JOHN A. HOLTZMAN relative to the Para Corporation:

GUS CHIAVEROTTI, through whom REINHARDT originally became involved in the operation of the Para Corporation, is not spending much time on the premises at the present but is rather out contacting accounts. WALTER BROCCA, on the other hand, who came into the operation only recently, is in charge of manufacturing operations. He hires one, two, or more girls as orders received demand, but much of the time he is alone. CHIAVEROTTI is on a drawing account at the rate of \$150 per week and BROCCA is paid a salary of \$130 per week.

The business is strictly a losing proposition with REINHARDT paying all the bills and handling all funds by check.

He explained that he now holds two-thirds interest in the corporation having purchased the stock of GEORGE CALVERLEY. He said that FRANK BALISTRIERI still holds one-third stock interest and that BALISTRIERI has received in the neighborhood of \$22,000 in the business since REINHARDT became connected with it. He does not have any idea as to how BALISTRIERI came into possession of the stock in the first place and the \$22,000 figure is cash investment since the business has been in operation. At the present time BALISTRIERI does not have any apparent interest in the business and at one time last summer told REINHARDT that JOE GURERA was representing him, BALISTRIERI, and would keep an eye on things at Para instead of BALISTRIERI.

REINHARDT does not see GURERA at Para and has not communicated with either him or BALISTRIERI except on a very infrequent basis. He deals with CHIAVEROTTI and BROCCA.

REINHARDT said that the last accounting was in October, 1962 and he is presently having the accountant, JENKINS, go over the books to establish the net worth for the purposes of what he hopes is an early sale of the business. He said it is possible that he may be able to sell it in a week and then it may be a matter of a number of months, but that he is definitely interested, as is BALISTRIERI, in getting rid of it as a losing proposition. They are on a month-to-month lease basis with MANUEL HOLZMAN for the premises.

Mr. REINHARDT said he had no information that the premises of Para Corporation was being used for any activity other than manufacturing at the present time.

On January 8, 1963 MANUEL HOLZMAN, owner of the premises, was interviewed by the above agents and stated that he has observed that a group of Italian individuals are meeting at Para Corporation rather frequently since Christmas. He does not know them or the purpose of their activity there. He said that he would maintain observation of their automobiles and endeavor to obtain license numbers and to observe the persons so that he could later identify photographs. At the time of the interview there was located on the lot a 1962 white Chevrolet bearing 1962 Illinois license 999349 registered to Cars for Commerce, Inc., Chicago, Illinois. Mr. HOLZMAN said that this car has been there on a very frequent basis for a number of months and that the individual who operates the automobile is a man in his forties, small, and of Italian appearance. He has been there when the above-mentioned group of Italian individuals were meeting.

HOLZMAN said that all rent is paid by the personal check of AL REINHARDT and the rent is \$700 per month.

HOLZMAN said that about three months ago the third floor of the premises were rented to an outfit owned and operated by NORMAN COOPER, [REDACTED] that handles discount sales and used for storage of various types of merchandise handled by such outlets. He said that about three weeks ago he had occasion when something went wrong with the elevator to enter this space on the third floor, and he caught WALTER BROCCA there back in behind the piles of merchandise. He asked BROCCA what he was doing there and BROCCA said that the elevator was out of order and he had come up to check on it. About a week later the owner of this merchandise reported to HOLZMAN that the fire escape door on his floor had been left open, and additionally he had heard from a round-about source that GUS CHIAVEROTTI had mentioned to someone the fact that there was this type of merchandise on the third floor. The owner and HOLZMAN became concerned that it might be hijacked and HOLZMAN has put new padlocks on the entrances to the third floor.

The following investigation was conducted by SA ALBERT B. KNICKREHM:

On August 8, 1963 SYLVESTER KINDLER, Route 1, Hubertus, Wisconsin, was interviewed in his car at a distance away from Para Corporation where he is employed. KINDLER advised that he was previously employed for United where he was repairing Wurlitzer jukeboxes. He stated that it was while he was employed for United that he became acquainted with a CHUCK MC COMBER who had a jukebox route. He stated that he was laid off from United on March 3, 1963 and he immediately went on unemployment. He advised that in the meanwhile MC COMBER had given up his jukebox route and had gone to work for Para Corporation, repairing jukeboxes. He stated that when MC COMBER heard about his unemployment MC COMBER talked him into working at Para Corporation. He advised that he went to work at Para and thought he was employed by the Para Corporation but has subsequently found out that he is not and that he is working for WALTER BROCCA, aka BLACKKEY, and GUS CHIAVEROTTI, who are repairing these jukeboxes as a sideline to their regular employment at Para. He stated that he was interested in working at Para because they are repairing old Seeburg machines and he was anxious to get the experience on working on these machines. He advised that BLACKKEY and CHIAVEROTTI are buying used Seeburg machines from CARL DENTICE who also has a jukebox route and that they are then cleaning up the mechanisms from these old machines and installing them in new plywood cabinets. He advised that his job was to clean up and repair the mechanisms and install them in the new cabinets for which he was supposed to get \$75 a week. He advised that when he went to work there the latter part of March, 1963 he went off of unemployment. He advised that after two or three weeks when he didn't get a paycheck he talked to MC COMBER about it and MC COMBER seemed to be surprised that he hadn't been paid. MC COMBER said he would look into it.

KINDLER advised that he worked at Para for 12 weeks without receiving any money and that after 12 weeks he was paid \$6 by BLACKKEY when he said that he'd have to sleep at Para all night long because he didn't have enough money to buy gas to get home. He advised that the only other money he's ever received is \$20 which BLACKKEY gave him one time and

which money BLACKKEY stole from some other employee's pay envelope. He stated that this is the only money he has received for his work at Para and that unless he receives some money on August 9, 1963 he is going to quit. He advised that after the first 12 weeks he went back on unemployment and that BLACKKEY and CHIAVEROTTI know this and that every week they ask him if he got his unemployment check. He stated that as long as they know he is getting unemployment they probably feel they don't have to pay him. He advised that as a matter of fact a couple of months ago BLACKKEY had the nerve to tell him that he felt they would have to charge him \$200 for working for them inasmuch as he was getting a lot of experience working on these machines.

He stated that CHUCK MC COMBER has finally quit and he quit because he wasn't getting paid. He advised that MC COMBER told him recently that BLACKKEY will never give him any money. He stated that even CARL DENTICE, who is a friend of theirs and who is selling them used machines, seems to be unable to collect his money which is supposed to amount to \$125 for each machine. He advised that CHIAVEROTTI and BLACKKEY seem to be running this jukebox business. He advised that he doesn't know where they're getting the cabinets but that they have received a total of about 7 cabinets so far and have 5 completed machines ready to sell. He stated that they had 3 of these sold but that they were returned. He advised that they purchased about 10 or 11 used machines from DENTICE and that is all the machines they have. He advised that the machines go out under the name of Continental. He advised that he quit a couple of times but that BLACKKEY would always soft soap him and get him to come back with a promise that they would soon be able to sell these machines and that they could then give him all of his back wages. He said they obviously aren't making any money.

He advised that GUS CHIAVEROTTI comes in every morning for about an hour and then leaves for the rest of the day. He stated that BLACKKEY is there all day long and is the only one of the group that does any work. He stated that BLACKKEY also supervises the plastic business for Para and that the only people working there are two, sometimes three, girls and that they don't work full time. He viewed photographs

MI 94-316

of various hoodlums and advised that FRANK BALISTRERI comes in very infrequently and talks to BLACKY. He stated that BALISTRERI doesn't stay there long. He advised that FRANK's son, JOE, comes in almost every afternoon and does nothing but practice as if he's talking in court, adding that he hopes to be a lawyer. He advised that he has seen JOE GURERA there on an occasion or so but has never seen STEVE DE SALVO there. He advised that BLACKY and CHIAVEROTTI have a booth at the State Fair grounds and that they're going to take three of the machines out there and put them on display. He said that they hope they can get someone like FRANK's son, JOE, to tend the booth.

It was determined from ALBERT REINHARDT and from the Milwaukee Western Bank that several machines had been sold as new machines and financed by REINHARDT who then endorsed the notes and refinanced with the Milwaukee Western Bank.

DAVID LEICHTFUSS, Milwaukee County District Attorney's Office, stated that he had observed the display of these jukeboxes at State Fair Park during the week of State Fair, August 9 through 17, 1963 and that JOE BALISTRERI, who was tending the exhibit, explained to him that these machines listed for \$1750 but could be purchased during the Fair week for \$1450 and that they were reconditioned machines in new boxes. Because of lack of misrepresentation, LEICHTFUSS did not feel that there was any violation of law on the part of JOE BALISTRERI in connection with this exhibit and that unless someone made a complaint and established the true value of the machines and showed fraud on the part of the individuals selling them that he did not think there would be a violation of state law so far as selling them on a conditional sales contract was concerned.

On April 13, 1963 and also on May 16, 1963 SAs ALBERT B. KNICKREHM and JOHN H. GASSAWAY observed automobiles registered to FRANK BALISTRERI, GUS CHIAVEROTTI, JOHN AIELLO and WALTER BROCCA parked in front of Para Corporation, 500 West Florida, Milwaukee, Wisconsin.

The following observations were made at Gallagher's on August 12, 1963:

At 10:30 p.m. the cars of FRANK BALISTRERI, PETE BALISTRERI, and SAM DENTICE were observed parked in front of Gallagher's. At 12:55 p.m. a 1957 white Chevrolet Convertible was observed to leave. The tag number was not seen but one of the two men

in this car appeared to be NICK TARANTINO. At 1:15 a.m. August 13, 1963 SAM DENTICE and two young men not identified were observed to leave. At 1:45 a.m. a 1953 white Buick Convertible, Wisconsin license [redacted] departed. (Car registered to GARDNER MEYST, 1000 Circle Drive, Elm Grove). At the same time a 1959 Ford, white over black hardtop arrived containing two men. This car bore license [redacted], is registered to ANGELO DI GIORGIO, 1821 North Marshall.

b6
b7C
b7D

b7D

Date September 10, 1963

Upon receipt of such information making action desirable, agent entered Gallagher's Restaurant, 829 North Third Street at 11:50 p.m. September 4, 1963 and observed those present and determined that JOSEPH FRANK GURERA was not among them.

FRANK BALISTRIERI was standing at the east end of the bar with his brother PETE. AUGUST MANIACI, JOHN AIELLO and one PAUL (BOGOSIAN) were also there and the latter three left shortly after agent's arrival and the beginning of conversation with FRANK BALISTRIERI.

BALISTRIERI was asked if JOE GURERA was in town and he promptly became indignant as to why he would have any knowledge of GURERA's activities and whether or not he was in town. He was informed that information had been received indicating that GURERA might be in town and since we were interested in GURERA's activities and knew that he had been closely associated with BALISTRIERI and Gallagher's it was felt advisable to inquire.

BALISTRIERI subsequently acknowledged that he would be pretty sure to know it if GURERA was in town and that to his knowledge he was not.

BALISTRIERI then took the initiative in continuing the conversation by berating the FBI for "wasting time" investigating him when we should be investigating the sources of our information and determining who was paying off the "Irish politicians" to permit prostitution, narcotics, and other vice activities to happen in Milwaukee. BALISTRIERI was asked not only then but several times later during the conversation which lasted until about 1:00 a.m. September 5, 1963 as to whether he had any specifics as to his allegation and whether he would or ever had furnished any information to any law enforcement agency.

He said that he would furnish information to law enforcement agencies only if he felt it involved the security of the country such as Communist activities or information relative to a murder but that any other activities of a criminal nature which came to his attention would not be reported as he did not feel it would be any of his business.

On 9/4-5/63 at Milwaukee, Wisconsin File # MI 94-316
by SA JOHN A. HOLTZMAN/lmp Date dictated 9/9/63

BALISTRERI was insistent upon being advised of some specific incident which would prompt the FBI to afford him investigative attention, and he was finally asked to explain his association with JOE GURERA and the reason for GURERA coming to Milwaukee since we had received information from a number of sources that he, BALISTRERI, had brought GURERA to Milwaukee.

He stated that this was fantastic and that he did not even know GURERA's full name until after the latter arrived in Milwaukee. He said that he learned then that GURERA, who is a brother-in-law to BUSTER BALESTRENE, a distant relative of FRANK's, came to Milwaukee to get [REDACTED]

[REDACTED] He said that GURERA was unable to purchase a house or to enter a business in Milwaukee and his plans just didn't work out and he, therefore, returned to Kansas City with his family. He acknowledged that GURERA was in Gallagher's on a very frequent basis but said that these were just casual visits and no arrangement existed between him and GURERA and that it was unbelievable that we should even think that GURERA had been brought to Milwaukee to assist BALISTRERI and his associates in collecting payoffs or that he and his associates were responsible for the death of ANTHONY BIERMAT in Kansas.

BALISTRERI stated frequently during the conversation that his troubles stemmed from political motivations by the KKKKKKK simply because his name was a "fascinating Italian name." He acknowledged that Gallagher's was his and stated that it was not even making expenses. He declined, however, to explain why or how he kept this financially losing endeavor in operation. He also stated that all of his troubles with law enforcement stemmed from stories put out by the Special Assignment Squad of the Milwaukee Police Department, and he accused the officers of this squad of a variety of personal misconduct activities and said that none of the rest of the Milwaukee Police Department concurred with the Special Assignment Squad's appraisal of BALISTRERI and his associates.

BALISTRERI said that his son JOSEPH had returned to Madison where he had two more years of schooling and that he was already graduated from the University of Notre Dame, that he intended fully to keep his son away from the tavern business as far as possible; he acknowledged that the son had worked

b6
b7c

there during the past summer and said that his son certainly had never made any statements relative to his, BALISTRERI's, position in the syndicate in Milwaukee and that it was ridiculous to believe that the son had made such statements, first because there was no factual basis to it, and secondly, because the son was too smart. He again reiterated at some length that the FBI should look to the basis of its sources of information.

At the conclusion of the interview Gallagher's Restaurant was kept under observation with the following results:

At 2:15 a.m. BALISTRERI left Gallagher's and went to the Downtowner where he remained until 2:45 a.m. His car was entered in the driveway of his home at 3:20 a.m. A 1959 white over black Ford hardtop, Wisconsin license T12-733 (registered to ANGELO DI GIORGIO) left Gallagher's at about 2:00 a.m. and contained six young individuals including the drivers of the 1959 Ford, Wisconsin license S61066 (SAM BENTICE) and the driver of a 1961 blue Plymouth, Wisconsin license W40-481 registered to ANDREW MACHI (PETROLIE), 2653 South 51st Street, Milwaukee. These two cars were left in front of Gallagher's until at least 3:15 a.m. at which time the above described Ford and its occupants was observed in the Eneo Service Station located at East Wisconsin Avenue and North Marshall Street. The occupants had apparently been at an all night restaurant in that immediate vicinity.

PETE BALISTRERI was observed to leave Gallagher's in his car at about 2:10 a.m. but subsequent checks at his home reflected that he did not return directly home and it was noted that the car driven by his girl friend (SHERRI CUSHINGS, hostess at Gallagher's), was parked in the parking lot of the Belmont Hotel until at least 3:15 a.m. although neither CUSHINGS or PETE BALISTRERI was observed at the Belmont.

MI 94-316

The Chicago Office on July 31, 1963 furnished the following information relative to Illinois license [redacted] observed at Gallagher's Restaurant Parking Lot March 3, 1963 when a closed party was in progress:

b6
b7C

Illinois license [redacted] is registered to JOHN NUZZO, [redacted] on a 1962 Oldsmobile Town Sedan, Factory Number 628M15203.

A search of the records of the Chicago Police Department was caused to be made by Investigative Clerk RICHARD D. ALLEN on April 12, 1963, and no record identifiable with JOHN NUZZO was located.

Captain NORMAN GLAUNER, Morton Grove, Illinois, Police Department advised SA HARVEY N. JOHNSON, Jr., on June 26, 1963, that his files contained no record identifiable with NUZZO.

On April 8, 1963, Investigative Clerk ALLEN caused a search of the Chicago Credit Bureau, Incorporated, 538 South Wabash, to be made, and the only information in the file was a record of the \$1,200.00 judgment against NUZZO dated January 18, 1963, by the Roosevelt Loan Company.

ALBERT ABEGG, Credit Bureau of Evanston, Incorporated, advised SA JOHNSON on June 24, 1963, that NUZZO has been listed in their files since July, 1962, and was supposedly employed as a "Labor welfare", not further identified except that he had been so employed for six years at \$1,000.00 per month. Nothing derogatory was contained in the file.

A search of the indices of the Chicago Division revealed that JOHN NUZZO, son of JAMES NUZZO (deceased), who operated the Rush Liquor Stores, an organization which was always linked with the hoodlum element in Chicago, by his own admission, was an associate and friend of individuals who have long been known as individuals engaging in one type of illegal activity or another. JOHN NUZZO became a partner in the Park-Randolph Cigarette Company and in a series of articles published in the "Chicago Daily News" in connection with hoodlum infiltration into the cigarette business JOHN NUZZO and associates were promptly mentioned as those who were trying to infiltrate into the tobacco business.

MI 94-316

The following information was received August 1, 1963 from JAMES C. BRUNER and OSIE J. DOMPIER, who identified themselves with credentials as Customs Agents of the Treasury Department from Chicago, address there 610 South Canal Street, telephone 427-5769. They furnished the following information:

On July 12, 1963 they arrested in Chicago an individual named PATRICE DANIGAN, aka, PHILADOR DUPONT, MICHAEL DUPONT, DANIGAN-PHILADOR. At the time of his arrest, he had in his possession 120 grams of Vitamin B12 and furnished them information by which they recovered an additional 400 grams from a safety deposit box he had in New York City - total value of the 520 grams \$23,000. He had been in the country on a visitor's visa from France since May 10 and Customs service has reason to believe that he entered the country with 1250 grams and had disposed of it all except the 520 grams that they recovered.

On his arrest PAUL A. LAROCQUE, [REDACTED] an attorney for the French Consulate, inquired into the matter since DANIGAN is French citizen and at DANIGAN's request immediately called BROOKS STEVENS, a wealthy Milwaukee automobile and boat designer. DANIGAN felt that STEVENS would immediately assist him but STEVENS showed no immediate interest and, in fact, said he might have met DANIGAN but did not remember him on one of his numerous trips abroad. In about ten days STEVENS called back and put up a cash bond in the amount of \$2,000 for DANIGAN. At the same time STEVENS said that some local attorneys (from Milwaukee) would come down to Chicago to assist the court appointed attorneys in DANIGAN's defense.

b6
b7c

Because considerable of his Vitamin B12 has been smuggled into the country and sold to various pharmaceutical discount houses at about \$25 a gram (the American market is double this) and because DANIGAN has no apparent resources of his own - he was broke when apprehended - Customs believes that his operations are financed possibly by the criminal element in the United States. This belief was further strengthened by informant information they received in Chicago that "FRANK BALISTRERI, head of the syndicate in Milwaukee, is interested in this matter." They could furnish no additional information relative to the alleged interest of BALISTRERI.

The Newark Office advised on July 18, 1963 that COONSBURG is undoubtedly HAROLD KONIGSBERG, a top hoodlum in the Newark Division, who has an extensive criminal record and has a reputation as a hit man allegedly having been responsible for the death of several individuals. Newark said that KONIGSBERG controls an extensive shylock operation as well as handling stolen goods and that he recently was sentenced to a term of ten years in Federal Court, Newark on conviction for receiving stolen property.

Newark said that in February, 1963 KONIGSBERG administered a severe beating to a MICKEY ROSENBERG at ROSENBERG's failure to pay off a shylock loan after which ROSENBERG filed a complaint with the Newark Police Department for the assault by KONIGSBERG and KONIGSBERG was arrested. This matter is still pending in local courts in New Jersey.

The Southeastern Bell Telephone Company records show that he was on vacation at the time of his appearance in Milwaukee.

On December 30, 1963 the Charlotte Office advised that MIKE JOE ~~SINO~~, who was subsequently identified as FIORE JOHN ~~LUCIANO~~, FBI # [redacted] and WILLIAM DUNN, subsequently identified as JOHN EDWIN MANCINI, FBI # [redacted], were arrested in Greenville, South

Carolina in possession of two stolen automobiles on September 5, 1963 and have been constantly incarcerated since that date. It is noted that LUCIANO was positively identified by an informant as individual bringing a large sum of money to the subject from Chicago on September 21, 1963.

On December 26, 1963 Detective AUGUST KNUEPPEL, Special Assignment Squad, Milwaukee Police Department, stated that he had recently talked to the subject and asked him about his use around the first of October of a Hertz Rent-a-Car for trips outside Milwaukee, specifically to Chicago and Kansas City, informing subject that he, KNUEPPEL, had received information to this effect. KNUEPPEL said that subject told him that he had just taken a little vacation, and he acknowledged that he had gone to Chicago but refused to say whether he had been to Kansas City or not. He did specifically deny going to California with the rented car.

On this occasion Detective KNUEPPEL said that BALISTRIERI was doing very well at Gallagher's at the present time with his rock and roll band which is attracting a young crowd into the place.

It is noted that Captain SPRAGUE had previously advised reporting agent that a number of these jukeboxes were not properly licensed and when officers of his, SPRAGUE's, district determined this fact SPRAGUE told them to seize the jukeboxes and immediately he was contacted by FRANK BALISTRERI and arrangements were made for BALISTRERI to get licenses for these boxes although they are not openly in his name.

Internal Revenue Service, Milwaukee, has an affidavit from Mrs. NILA JEWETT dated October 11, 1963 which contains the following information among others:

Sometime during the fiscal year ending April 30, 1959, the Altex Corporation learned that they were losing aluminum siding by theft and reported the matter to police agencies. After investigating officers learned the identity of the persons involved in the theft, they reported it to the officers of Altex Aluminum. Then the affidavit states: "Charles Boggio, in his capacity as manager of Altex Corporation, directed that an invoice be prepared billing the stolen siding as a sale on April 30, 1959 to Employees Wholesale Distributing Company, 3238 West Fond du Lac Avenue, Milwaukee, Wisconsin, a business venture in which he was a partner. I believe that Miss Alice Boettcher was the billing clerk at this time and prepared Altex Corporation Invoice number 3552 dated April 30, 1959 Invoiced to Employees Wholesale Distributing Company for \$13,066.72. On the basis of this invoice, I (Mrs. JEWETT) entered the sale at page 46 in the sales journal and debited the Accounts Receivable rendering statements to Employees Wholesale, transactions relating to this sale were not included. However, I carried in pencil on the item column of the ledger sheets the details relating to this invoice." The affidavit then sets forth the bookkeeping transactions showing repayments of stolen merchandise. Three of the entries dated July 17, 1959, March 25, 1960, and April 7, 1960 were noted as coming from DE LUCA. JEWETT stated that she knew the DE LUCA checks

MI 94-316

were to be applied against the merchandise stolen. These checks totalled \$2,000. In addition, three entries referred to stolen merchandise which was returned and credit memos issued totalling \$1, 349.00. On April 30, 1961 she was told to charge off as bad debts the balance of this account then at \$9,717.12.

On page 13 of the affidavit Mrs. JEWETT states that on August 4, 1961 Altex Corporation received a check of \$2,000 from Midwest Scrap Metal Company which was deposited to the Altex Corporation bank account. She didn't know where to enter this amount on the books of Altex so posted it as a receipt to an account to "Accounts Receivable - Other." This upset the balance of her account and she made repeated inquiries of HARVEY ARNDT, then the company manager, and SAM COCO, as to how to post the receipt of the \$2,000. On August 31, 1961 she said HARVEY ARNDT told her that the \$2,000 received from Midwest Scrap Metal Company on August 4, 1961 represented part payment on the stolen aluminum siding. She then made ledger entries correcting the situation and showing the credit to the special account of the Employees Wholesale which was used to cover repayments for the stolen merchandise.

REMITEL JUNE 12, 1981.

REMITEL POINTED OUT THE FACT THAT MILWAUKEE JOURNAL REPORTER WALTER FEE HAS BEEN IN POSSESSION FOR APPROXIMATELY TWO YEARS OF INFORMATION REGARDING PORTIONS OF THE [REDACTED] UNDERCOVER PROJECT. ON JUNE 22, 1981, FEE CAME TO THE MILWAUKEE OFFICE AND ADVISED HE INTENDED TO RUN HIS ARTICLE ON JUNE 23, 1981. HE WAS REQUESTED TO WITHHOLD RUNNING HIS ARTICLE AND RELUCTANTLY AGREED TO DO SO, BUT IS EXTREMELY CONCERNED ABOUT BEING "SCOOPED". (THIS IS OF CONCERN TO MILWAUKEE DIVISION ALSO AS IT WOULD BE EXTREMELY POOR FOR PRESS RELATIONS WITH MILWAUKEE JOURNAL IF FEE WERE SCOOPED AFTER WITHHOLDING PUBLISHING OF HIS ARTICLE FOR THE BENEFIT OF THE FBI.

FEE WAS ADVISED IT WAS HOPED THAT THE FBI WOULD HAVE NO OBJECTION TO FEE RUNNING THE ARTICLE IN THE NEAR FUTURE, AND FEE ASKED FOR A MORE SPECIFIC TIME FRAME. HE WAS ADVISED IT WAS HOPED HE COULD RUN THE ARTICLE NO LATER THAN JULY 22, 1981.

FBIHQ IS REQUESTED TO KEEP MILWAUKEE APPRISED OF DEVELOPMENTS IN THE CLOSEDOWN OF THE [REDACTED] AND RELATED INVESTIGATIONS AND TO ADVISE THIS DIVISION AS SOON AS FEE'S STORY CAN BE RUN WITHOUT

JEOPARDIZING UCA'S. IT SHOULD AGAIN BE POINTED OUT IN THIS REGARD THAT MILWAUKEE DIVISION DOES NOT KNOW HOW FEE OBTAINED HIS STORY, BUT THIS DIVISION IS GOING TO MERELY TELL HIM THAT THE FBI IS NO LONGER REQUESTING HE WITHHOLD THE RUNNING OF HIS STORY AT THE PROPER TIME, AND THAT THE FBI WILL NOT COMMENT ON THE STORY.

FBI agents infiltrate local Mafia

By Walter Rios

(c) 1961 The Milwaukee Journal

Two undercover FBI agents infiltrated the Milwaukee Mafia as part of an investigation that has uncovered extensive information that could lead to the indictments of several organized crime figures here and in several other cities.

At the same time that undercover FBI agents were posing as Arab sheiks during the Abscon investigation that resulted in the conviction of seven congressmen, two undercover FBI agents penetrated the business operations of Frank J. Ballistreri in Milwaukee, sources said.

The investigation, which began in January 1970, spread to several other cities, in-

cluding New York. The final part of the undercover operation recently was completed in another city.

An FBI spokesman in Milwaukee said Thursday morning that he would not comment on any aspect of the investigation.

The key to the operation in Milwaukee involved an undercover FBI agent who operated a vending machine business here in 1970. Sources confirmed that the business was really a dummy corporation designed to give the undercover FBI agent a front for his investigation.

Obtained with data

While working in the vending machine business here from March through August 1970, the agent compiled voluminous infor-

mation about the inner workings of Ballistreri's business enterprises.

According to a source, Ballistreri accepted the undercover agent as an associate about the agent was vouched for by a man Ballistreri thought was a member of the Mafia but who was, in fact, another FBI agent.

The other undercover agent learned a great deal about the gambling and loan-sharking businesses here, sources confirmed.

Sources said that one key question remained unanswered for the FBI in Milwaukee: It concerns whether Ballistreri dealt with about the undercover man late in the summer of 1970, and, if he found out, whether he told other reputed Mafia bosses

about his predicament to avoid embarrassment when the information became public.

The undercover investigation involving the vending machine business had its own element of humor. The agent selected to handle the job had had no previous assignment related to organized crime, sources said.

Get crash course

He had had experience in several other operations, but before FBI supervisors assigned him to try to penetrate Ballistreri's organization, they gave him a crash course in the history of La Cosa Nostra in the United States. He also was told the identities of the reputed members of the Milwaukee Mafia and the men and women who serve

at their go-betweens.

The agent, who is not Italian, also was coached on language expressions and customs used in some of the restaurants and nightspots where Balistreri is welcomed.

In a copyright story published in October 1979, The Milwaukee Journal first reported the existence of a nationwide FBI investigation designed to show the extensive network of organized crime, including its Milwaukee connections.

In the intervening months, details of that effort have been checked both in Milwaukee and in Las Vegas, where Balistreri, 63, and his son, Joseph, a Milwaukee lawyer, are being investigated in connection with an alleged skimming operation involving Las Vegas casinos.

Decision due soon

A source familiar with the start of the undercover operation said it was designed to bypass second-level people and "hit at the guts of the organization." He said the FBI was surprised at how easily the FBI agent was accepted into the vending machine business.

Sources said a federal grand jury that has been investigating Balistreri for nearly two years would make a decision soon.

FBI affidavits filed in Federal Court and released last year state that Joseph Balistreri, 40, and his brother John, 32, also a Milwaukee lawyer, control their father's vending machine interests. They also state that Frank Balistreri oversees a web of legal and illegal businesses with a half-million-dollar payroll in 1978, "which he has fronted by relatives and friends."

Convicted in 1967

Sources said that the specific involvement of Balistreri's sons was first discovered during the undercover operation.

Balistreri was convicted in March 1967 of two felony counts of tax evasion. He began serving a prison sentence of one year and one day at Sandstone, Minn., in June 1971. He was released on parole in April 1972 after having served nine months and nine days.

Other FBI affidavits made public last year contend that syndicate hit men killed Milwaukeeans August Maniaci and August Palmisano at Balistreri's request in 1975 and 1976. Those slayings remain unsolved.

The documents also state that court-approved surveillance once picked up a conversation in which Balistreri said, "I am deadly and I surround myself with accountants."

The FBI agents who began the investigation in 1978 said they had found Balistreri's organization to be fairly small — about 25 people — but well entrenched socially and politically in Milwaukee, sources said.

As an example, sources cited the fact that Joseph Balistreri is the court commissioner of Circuit Judge Hugh O'Connell, a former district attorney.

They also stated that the FBI always was puzzled about why a city with a police department with about 2,000 officers did not have an organized crime squad.

Sources said FBI organized crime specialists also could never understand why public officials had downplayed the role of organized crime here during the past 15 years.

Resignation won't mar case, US officials say

The surprise resignation of Thomas E. Martin, the government lawyer who directed recent investigations into organized crime in Milwaukee, said a police investigation of his alleged association with a 14-year-old boy, will not weaken the government's case against Frank P. Ballistreri, according to federal officials.

Martin, 31, resigned late Monday. Martin's resignation ironically occurred the night before a principal focus of his investigation, Ballistreri, reputed head of the Milwaukee Mafia, and his two sons were arraigned in Federal Court on charges related to racketeering, fraud and gambling.

Douglas Roller, who heads the US Organized Crime Strike Force in Chicago, said he would now handle prosecution of the 16 persons, including the Ballistreris, who had been indicted by a Federal Court grand jury here.

US Attorney Joseph P. Stedtmiller concurred with Roller that Martin's resignation would not affect the current case against the Ballistreris and their associates. He said Martin had done very solid groundwork in the Ballistreri cases, easing the burden of any successor.

According to police, a search warrant was served on Martin's home, 2334 N. Cambridge Ave., about 1 p.m. Monday. Martin was home at the time.

According to the search warrant, which was issued last week by Circuit Judge Thomas E. Doherty, officers confiscated a purplish turtle-neck sweater that allegedly belonged to the youth, a canceled check for \$100, dated Sept. 12 and 13 in Chicago, a pink registration receipt from the Travel Lodge Hotel in Chicago, and a brandy glass bottle with an "unknown" label.

Contents of the bottle were sent

to the Wisconsin Crime Laboratory for analysis.

Police became involved in an investigation when the youth's mother notified officials a few weeks ago that her son was missing. When the boy returned home, he was evasive about his whereabouts during the time he was gone.

But when he was questioned further by police, he mentioned his alleged association with Martin, whom he said he had met while hitchhiking.

Police said the youth, who was not named in the search warrant, claimed to have engaged in sexual activity with Martin.

Martin was to have appeared in the district attorney's office Tuesday in connection with the alleged sexual offense, but did not do so because he had been hospitalized.

Dist. Atty. E. Michael McCann refused to comment on the matter Tuesday.

Deputy Dist. Atty. Michael Malmstadi, who requested the search warrant, declined to comment on the details of the case Wednesday.

Malmstadi did say that he did not know when, if ever, he would issue charges against Martin, but that a potential charge in a case allegedly involving sexual activity between an adult and 14-year-old youth would be second-degree sexual assault.

Malmstadi said authorities had not received any evidence that Martin was similarly involved with other youths.

According to court transcripts, police first talked to the 14-year-old youth Sept. 12 at his home.

According to the transcript, the youth told police that he met Martin at about 2 a.m. Sept. 1 while hitchhiking on N. Water St.

The youth, who did not initially identify Martin, said that a man driving a silver Honda Civic picked him up and took him to the man's home at about 2:30 a.m.

The youth said that when they had arrived at Martin's home, they both drank a beer, engaged in small talk and, at about about 4 or 5 a.m., went into the bedroom, where they had sexual activity, according to the transcript.

The youth told authorities that he had seen a purplish turtle-neck sweater at Martin's home, according to the transcript.

Martin then dropped the youth off at his parents' home in the early morning of Sept. 13, which point they arranged to go to Chicago together, according to the transcript.

The youth and Martin did meet that evening, according to the transcript, and drove to Chicago, where they visited several bars.

When they finally found a bar that would take the youth, according to the transcript, Martin bought the youth several drinks and a taxi.

The two left that bar about 3 a.m. Sept. 13 and went to a motel, where they engaged in sexual activity, according to the transcript. The transcript also stated that the youth and Martin were both under the influence of alcohol at the time.

The transcript said Martin said he had been paid with a credit card, but it was not at the time of the arrest. Only a portion of the transcript, the registration card, was given to the court, who identified Martin's association.

The youth also told police, according to the transcript, that he had been paid a \$100 check, \$100 in cash, and a \$100 in cash, which was known as for one of the witnesses in the case.

ENCLOSURE

Martin's attorney, David Cannon, confirmed that his client had been hospitalized Tuesday. Cannon declined to say where or for what reason, and indicated that he did not know how long the hospitalization would continue.

For the last seven months, Martin directed the special grand jury investigation into organized crime that resulted in the indictments earlier this month.

The Ballistreri's attorney, Stephen Glynn, said Tuesday:

"I'm real saddened if that's [Martin's alleged offense] the case, and I would prefer not to comment. We've represented a number of people in similar circumstances.

Martin, who is divorced, is the son of an East Side surgeon and still lives on the East Side, where he grew up. He graduated from the University School here in 1966, majored in history at Brown University in Providence, R.I., and received his law degree from the University of Wisconsin - Madison.

Martin was hired as an assistant US attorney in 1971 and quickly developed a reputation for expertise in handling cases involving complicated financial transactions.

In fact, Martin received national recognition in 1976 from the US Justice Department for his leadership role in preparing the case that led to the closing of the financially troubled American div bank.

Prior to joining the government's prosecution team, Martin worked for the law firm of Shellow & Shellow - the firm that is representing the Ballistreri on the current indictments.

Instructions

Subject Priorities for FBI Arrest or Locates:

- A - Subject wanted for crimes of violence (i.e. murder, manslaughter, forcible rape, robbery and aggravated assault) or convicted of such crimes in the past five years.
- B - Subjects wanted for crimes involving the loss or destruction of property valued in excess of \$25,000 or convicted of such crimes in the past five years.
- C - All others

Claiming Convictions Other Than Federal:

It is permissible to claim a local (state, county or local) conviction if the FBI's investigation significantly contributed to the successful local prosecution. A succinct narrative setting forth the basis for claiming a local conviction must accompany this report. When claiming a conviction other than Federal, enter the word "LOCAL" in the "Conviction-Section" block, disregard the number of conviction counts, but enter the sentence in the appropriate blocks. Enter "LF" in the "In-Jail" block for all life sentences and "CP" for all capital punishment sentences.

Reporting Convictions:

Convictions should not be reported until the sentence has been issued. There are two exceptions to this rule. The conviction information can be submitted by itself if:

- 1. The subject becomes a fugitive after conviction but prior to sentencing.
- 2. The subject dies after conviction but prior to sentencing.

An explanation is required in the Remarks section for either of the above exceptions.

Rule 20 Situations:

The field office that obtained the process (normally the office of origin) is the office that should claim the conviction, not the office where the subject enters the plea in cases involving Rule 20 of the Federal Rules of Criminal Procedures.

Investigative Assistance or Techniques (IA/Ts) Used:

-Since more than one IA/T could have contributed to the accomplishment, each IA/T must be rated.

-The IA/T used must be rated **each time** an accomplishment is claimed. (For example - if informant information was the basis for a complaint, an arrest, a recovery and a conviction and if separate FD-515s are submitted for each of the aforementioned accomplishments, the "Informant Information" block must be rated on each FD-515 even if it was the same information that contributed to all the accomplishments.)

GENERATED A GREAT DEAL OF MEDIA INTEREST IN THE UNDERCOVER AGENTS. GREAT PAINS ARE BEING TAKEN TO PROTECT THE IDENTITY AND THE LOCATION OF THESE AGENTS. COINCIDENTAL TO THE MEDIA INTEREST, IT HAS COME TO OUR ATTENTION THAT THE LCN FIGURES WHO WERE MOST AFFECTED BY THE ACTIVITIES OF THE UCSAS ARE ALSO MAKING STRONG EFFORTS TO IDENTIFY AND LOCATE THE UCSAS IN ORDER TO COMMIT ACTS OF RETALIATION. THESE EFFORTS HAVE INCLUDED THE ALERTING OF LCN "FAMILIES" THROUGHOUT THE COUNTRY, AND THE CIRCULATION AMONG THE LCN OF PHOTOGRAPHS TAKEN OF THE UCSAS DURING THEIR UNDERCOVER ACTIVITIES.

THE SITUATION IS CONSIDERED SERIOUS BY FBIHQ, TO THE POINT THAT THE FOLLOWING ARE BEING SET OUT:

13 FBIHQ REITERATES THAT NO COMMENT WHATSOEVER WILL BE MADE BY ANY FIELD DIVISION TO THE PRESS. ANY INQUIRY WILL BE IMMEDIATELY REFERRED TO FBIHQ.

23 EACH RECEIVING OFFICE SHOULD HAND PICK EXPERIENCED ORGANIZED CRIME AGENTS, AND SHOULD HAVE THEM APPROACH THE HEADS OF THE LCN FAMILIES IN THE AREA. THESE LCN FIGURES SHOULD BE TOLD IN NO UNCERTAIN TERMS THAT ANY ACTION WHATSOEVER TOWARD THE UCSAS WILL BE VIEWED BY THE FBI AS A VERY SERIOUS MATTER.

As noted in the attached letter from the Chicago Strike Force, they are pessimistic about the chances of success of efforts to keep the true identities of Undercover Agents (UCAs) secret during upcoming trial proceedings. They are more confident that the present locations of the UCAs can remain protected.

The Strike Force has also requested that they be provided with all evidence indicating the existence of a death threat to UCA [redacted] along with all evidence which would indicate that the disclosure of [redacted] identity and present location would result in the execution of this death threat. In referenced conversation between Supervisor [redacted] and SA [redacted], Supervisor [redacted] advised that SA [redacted] was also the target of threats and that his name should also be deleted from any material to be turned over to the defendants' attorneys.

b6
b7C

The following is a list of Special Agents who participated in the [redacted] investigation in an undercover capacity whose names will not be deleted from discovery materials:

b7E

1. SA [redacted] (primary Undercover Agent in [redacted] investigation)
2. SAs [redacted] and [redacted] (SAs of Phoenix Division making consensually monitored telephone calls in 5/80 in connection with this investigation)
3. SA [redacted] (Undercover Agent who took part in the initial phases of the [redacted] investigation)
4. SA [redacted] (formerly assigned to Milwaukee Division, now assigned to New Orleans Division, who took part in one phase of the [redacted] investigation)
5. Former SA [redacted] (participated in meeting between [redacted] and [redacted] at Sa Bella's restaurant on [redacted])

b6
b7C
b7E

In compliance with instructions received by the Bureau and by Strike Force Attorney's Office, Milwaukee has begun the task of deleting the names of Special Agents [redacted] and [redacted] from all discovery items and replacing the

b6
b7C

names with their undercover identities, [] and [] respectively. In addition to the deletion of names from all written materials, Milwaukee will make arrangements to delete [] and [] name from the duplicate copies of all tape recordings, i.e. Nagra and telephone conversations, wherever they appear. This process will be planned in detail and closely supervised to assure custodial integrity of all tapes obtained during this investigation.

b6
b7C
b7E

Milwaukee has ascertained that it will be necessary to review approximately 2600 pages of written material and approximately 81 taped conversations during this procedure. The Chicago Strike Force has advised that the first discovery items should be ready for dissemination to defendants' attorneys by 11/11/81.

The Bureau and all other receiving offices having evidence and/or informant information pertaining to death threats to SA [] or SA [] are requested to immediately furnish that information to the Milwaukee Division for dissemination to the Chicago Strike Force.

b6
b7C

Based on prior telephone conversations between Milwaukee and FBIHQ, should efforts fail to protect the true identities of SAs [] and [] and a U. S. District Judge orders their identities be revealed or indictments dismissed, then their true identities will be revealed publicly, UACB.

Re Milwaukee airtel to the Bureau, dated 10/7/81.

For the information of the Bureau, on 11/13/81, Special Attorney Chicago Strike Force, petitioned the U. S. District Court, Eastern District of Wisconsin, Milwaukee, Wisconsin, to dismiss the Federal Grand Jury indictment that was returned by the Federal Grand Jury on 10/1/81, charging and with one count of Hobbs Act - Extortion and five counts of mail fraud regarding their illegal takeover of Alioto Distributing, Inc. This dismissal was requested by the Chicago Strike Force due to "technical defects in this indictment and the interest of justice require that it be dismissed without prejudice to the reinstitution of this prosecution." Special Attorney advised that a superseding indictment would be sought by the government in this case on 12/16/81.

b6
 b7C

On 11/16/81, U. S. District Court Judge Terence T. Evans, Eastern District of Wisconsin, Milwaukee, signed the order for dismissal of this indictment, without prejudice.

FBIHQ will be kept advised as to the issuance of a superseding indictment in this matter.

Claiming Convictions Other Than Federal:

It is permissible to claim a local (state, county or local) conviction if the FBI's investigation significantly contributed to the successful local prosecution. A succinct narrative setting forth the basis for claiming a local conviction must accompany this report. When claiming a conviction other than Federal, enter the word "LOCAL" in the "Conviction-Section" block, disregard the number of conviction counts, but enter the sentence in the appropriate blocks. Enter "LF" in the "In-Jail" block for all life sentences and "CP" for all capital punishment sentences.

Reporting Convictions:

Convictions should not be reported until the sentence has been issued. There are two exceptions to this rule. The conviction information can be submitted by itself if:

- 1. The subject becomes a fugitive after conviction but prior to sentencing.
- 2. The subject dies after conviction but prior to sentencing.

An explanation is required in the Remarks section for either of the above exceptions.

Rule 20 Situations:

The field office that obtained the process (normally the office of origin) is the office that should claim the conviction, **not** the office where the subject enters the plea in cases involving Rule 20 of the Federal Rules of Criminal Procedures.

Investigative Assistance or Techniques (IA/Ts) Used:

-Since more than one IA/T could have contributed to the accomplishment, each IA/T must be rated.

-The IA/T used must be rated **each time** an accomplishment is claimed. (For example - if informant information was the basis for a complaint, an arrest, a recovery and a conviction and if separate FD-515s are submitted for each of the aforementioned accomplishments, the "Informant Information" block must be rated on each FD-515 even if it was the same information that contributed to all the accomplishments.)

ReNYtt, captioned as above, 11/12/81.

Enclosed for the Bureau and Dallas is a duplicate copy of telephone call recorded in the NYO on 12/2/81.

At 1:48 p.m., 12/2/81, [REDACTED] called for DADIC KENNETH P. WALTON and left a number, [REDACTED]. This call was returned and the information on the tape is self-explanatory. It is pertinent that she indicated she had "information other than this thing" and it is also noted that she asked questions about a second undercover agent, and no affirmative response was given to her. A meeting was tentatively arranged for Thursday, 12/10/81, in NYC. NY is sensitive that this may be an effort to obtain a photo of an Agent, abduct an Agent, or an effort to acquire information from an Agent in order to fill in their missing blanks.

b6

b7D

Subsequently, at approximately 3:30 p.m., [REDACTED] called back. Due to technical difficulties, this call was not recorded; however, a meeting was arranged for approximately 4:30 p.m. on [REDACTED]

ACTION MEMORANDUM

Attached is a copy of a communication which furnishes information concerning a current investigation. Exigent circumstances precluded a request for authorization in advance to utilize an electronic device to monitor and/or record private conversations with the consent of a party.

Under the provisions of Part III(b) of the Attorney General's Memorandum of September 22, 1980, to the Heads of Executive Departments and Agencies entitled, "Monitoring Private Conversations with the Consent of a Party," emergency monitoring was instituted under the authorization of an appropriate official of the FBI.

Monitoring of this conversation was authorized in the best interest of law enforcement in that it was expected to provide corroborative evidence and to protect the individual utilizing the equipment.

Further monitoring is expected in this matter and it is requested that your office approve the use of this equipment for a period of 30 days beginning the date on which you grant authority.

EFFORTS SURFACED PUBLICLY IN A VERY LIMITED FASHION FOR THE FIRST TIME IN MARCH, 1980, WITH THE EXECUTION OF SEVERAL SEARCH WARRANTS. IN THE ENSUING MONTHS AS THE SEARCH WARRANT AFFIDAVIT WAS PUBLICLY RELEASED AND SEVERAL TITLE III AFFIDAVITS SURFACED PUBLICLY DUE TO ADMINISTRATIVE OVERSIGHT BY THE CHICAGO STRIKE FORCE, LEGITIMATE INQUIRIES WERE MADE BY INTERESTED LOCAL LAW ENFORCEMENT AGENCIES AS TO THE EXISTENCE OF ANY EVIDENCE OF PRINCIPAL VALUE TO LOCAL AUTHORITIES. DUE TO THE CONTINUING NATURE OF RELATED UNDERCOVER ACTIVITIES IN NEW YORK AND ELSEWHERE, THESE INQUIRIES HAD TO BE STALLED. IN THE FALL OF 1981, THE DISCONTINUANCE OF SENSITIVE UNDERCOVER ACTIVITIES AND THE INDICTMENT IN MILWAUKEE OF BALISTRIERI AND HIS ASSOCIATES PREVENTED MILWAUKEE'S CONSIDERATION OF A METHOD TO DISCHARGE OUR RESPONSIBILITY TO DISCLOSE INFORMATION GATHERED DURING THIS LENGTHY INVESTIGATION, WHICH CONSTITUTES PRINCIPALLY EVIDENCE OF LOCAL OFFENSES, IN A MANNER THAT WOULD NOT IMPEDE FEDERAL INVESTIGATIVE AND PROSECUTIVE EFFORTS. IN GENERAL THIS EVIDENCE RELATES TO MURDERS, GAMBLING, NARCOTICS, CORRUPTION, PERJURY AND LICOR LICENSING IRREGULARITIES, AND WAS CONSIDERED INSUFFICIENT FOR INCLUSION IN A FEDERAL INDICTMENT.

USDJ'S WARREN AND EVANS BASED SCHEDULING ORDER ON VARIOUS FACTORS, INCLUDING NUMBER OF DEFENDANTS IN GAMBLING CASE AND SCHEDULING CONFLICTS OF VARIOUS DEFENSE ATTORNEYS INVOLVED IN THE FOUR INDICTMENTS. THE JUDGES ALSO GAVE CONSIDERATION TO THE FACT THAT SEVERANCE HAS BEEN GRANTED TO BENJAMIN RUGGIERO AND MICHAEL SABELLA, WHO WILL BE TRIED SEPARATELY FROM FRANK P. BALISTRIERI AND [REDACTED]. SEVERANCE WAS GRANTED PRIMARILY BECAUSE RUGGIERO HAS STATED BY AFFIDAVIT THAT HE WILL TESTIFY ON BEHALF OF THE BALISTRIERIS REGARDING THE HOBBS ACT - EXTORTION CHARGE. BECAUSE OF THIS, USDJ WARREN HAD TO SCHEDULE RUGGIERO'S

- C - All others

Claiming Convictions Other Than Federal:

It is permissible to claim a local (state, county or local) conviction if the FBI's investigation significantly contributed to the successful local prosecution. A succinct narrative setting forth the basis for claiming a local conviction must accompany this report. When claiming a conviction other than Federal, enter the word "LOCAL" in the "Conviction-Section" block, disregard the number of conviction counts, but enter the sentence in the appropriate blocks. Enter "LF" in the "In-Jail" block for all life sentences and "CP" for all capital punishment sentences.

Reporting Convictions:

Convictions should not be reported until the sentence has been issued. There are two exceptions to this rule. The conviction information can be submitted by itself if:

1. The subject becomes a fugitive after conviction but prior to sentencing.
2. The subject dies after conviction but prior to sentencing.

An explanation is required in the Remarks section for either of the above exceptions.

Rule 20 Situations:

The field office that obtained the process (normally the office of origin) is the office that should claim the conviction, not the office where the subject enters the plea in cases involving Rule 20 of the Federal Rules of Criminal Procedures.

Investigative Assistance or Techniques (IA/Ts) Used:

-Since more than one IA/T could have contributed to the accomplishment, each IA/T must be rated.

-The IA/T used must be rated **each time** an accomplishment is claimed. (For example - If informant information was the basis for a complaint, an arrest, a recovery and a conviction and if separate FD-515s are submitted for each of the aforementioned accomplishments, the "Informant Information" block must be rated on each FD-515 even if it was the same information that contributed to all the accomplishments.)

Instructions

Subject Priorities for FBI Arrest or Locates:

- A - Subject wanted for crimes of violence (i.e. murder, manslaughter, forcible rape, robbery and aggravated assault) or convicted of such crimes in the past five years.
- B - Subjects wanted for crimes involving the loss or destruction of property valued in excess of \$25,000 or convicted of such crimes in the past five years.
- C - All others

Claiming Convictions Other Than Federal:

It is permissible to claim a local (state, county or local) conviction if the FBI's investigation significantly contributed to the successful local prosecution. A succinct narrative setting forth the basis for claiming a local conviction must accompany this report. When claiming a conviction other than Federal, enter the word "LOCAL" in the "Conviction-Section" block, disregard the number of conviction counts, but enter the sentence in the appropriate blocks. Enter "LF" in the "In-Jail" block for all life sentences and "CP" for all capital punishment sentences.

Reporting Convictions:

Convictions should not be reported until the sentence has been issued. There are two exceptions to this rule. The conviction information can be submitted by itself if:

- 1. The subject becomes a fugitive after conviction but prior to sentencing.
- 2. The subject dies after conviction but prior to sentencing.

An explanation is required in the Remarks section for either of the above exceptions.

Rule 20 Situations:

The field office that obtained the process (normally the office of origin) is the office that should claim the conviction, not the office where the subject enters the plea in cases involving Rule 20 of the Federal Rules of Criminal Procedures.

Investigative Assistance or Techniques (IA/Ts) Used:

Since more than one IA/T could have contributed to the accomplishment, each IA/T must be rated.

The IA/T used must be rated each time an accomplishment is claimed. (For example - if informant information was the basis for a complaint, an arrest, a recovery and a conviction and if separate FD-515s are submitted for each of the aforementioned accomplishments, the "Informant Information" block must be rated on each FD-515 even if it was the same information that contributed to all the accomplishments.)
